Check-in...

*Once upon a time you lived in Light...
and that Light was full of love...
It was all you knew.....*

*We visited there yesterday...
When we connected with your Soul...*

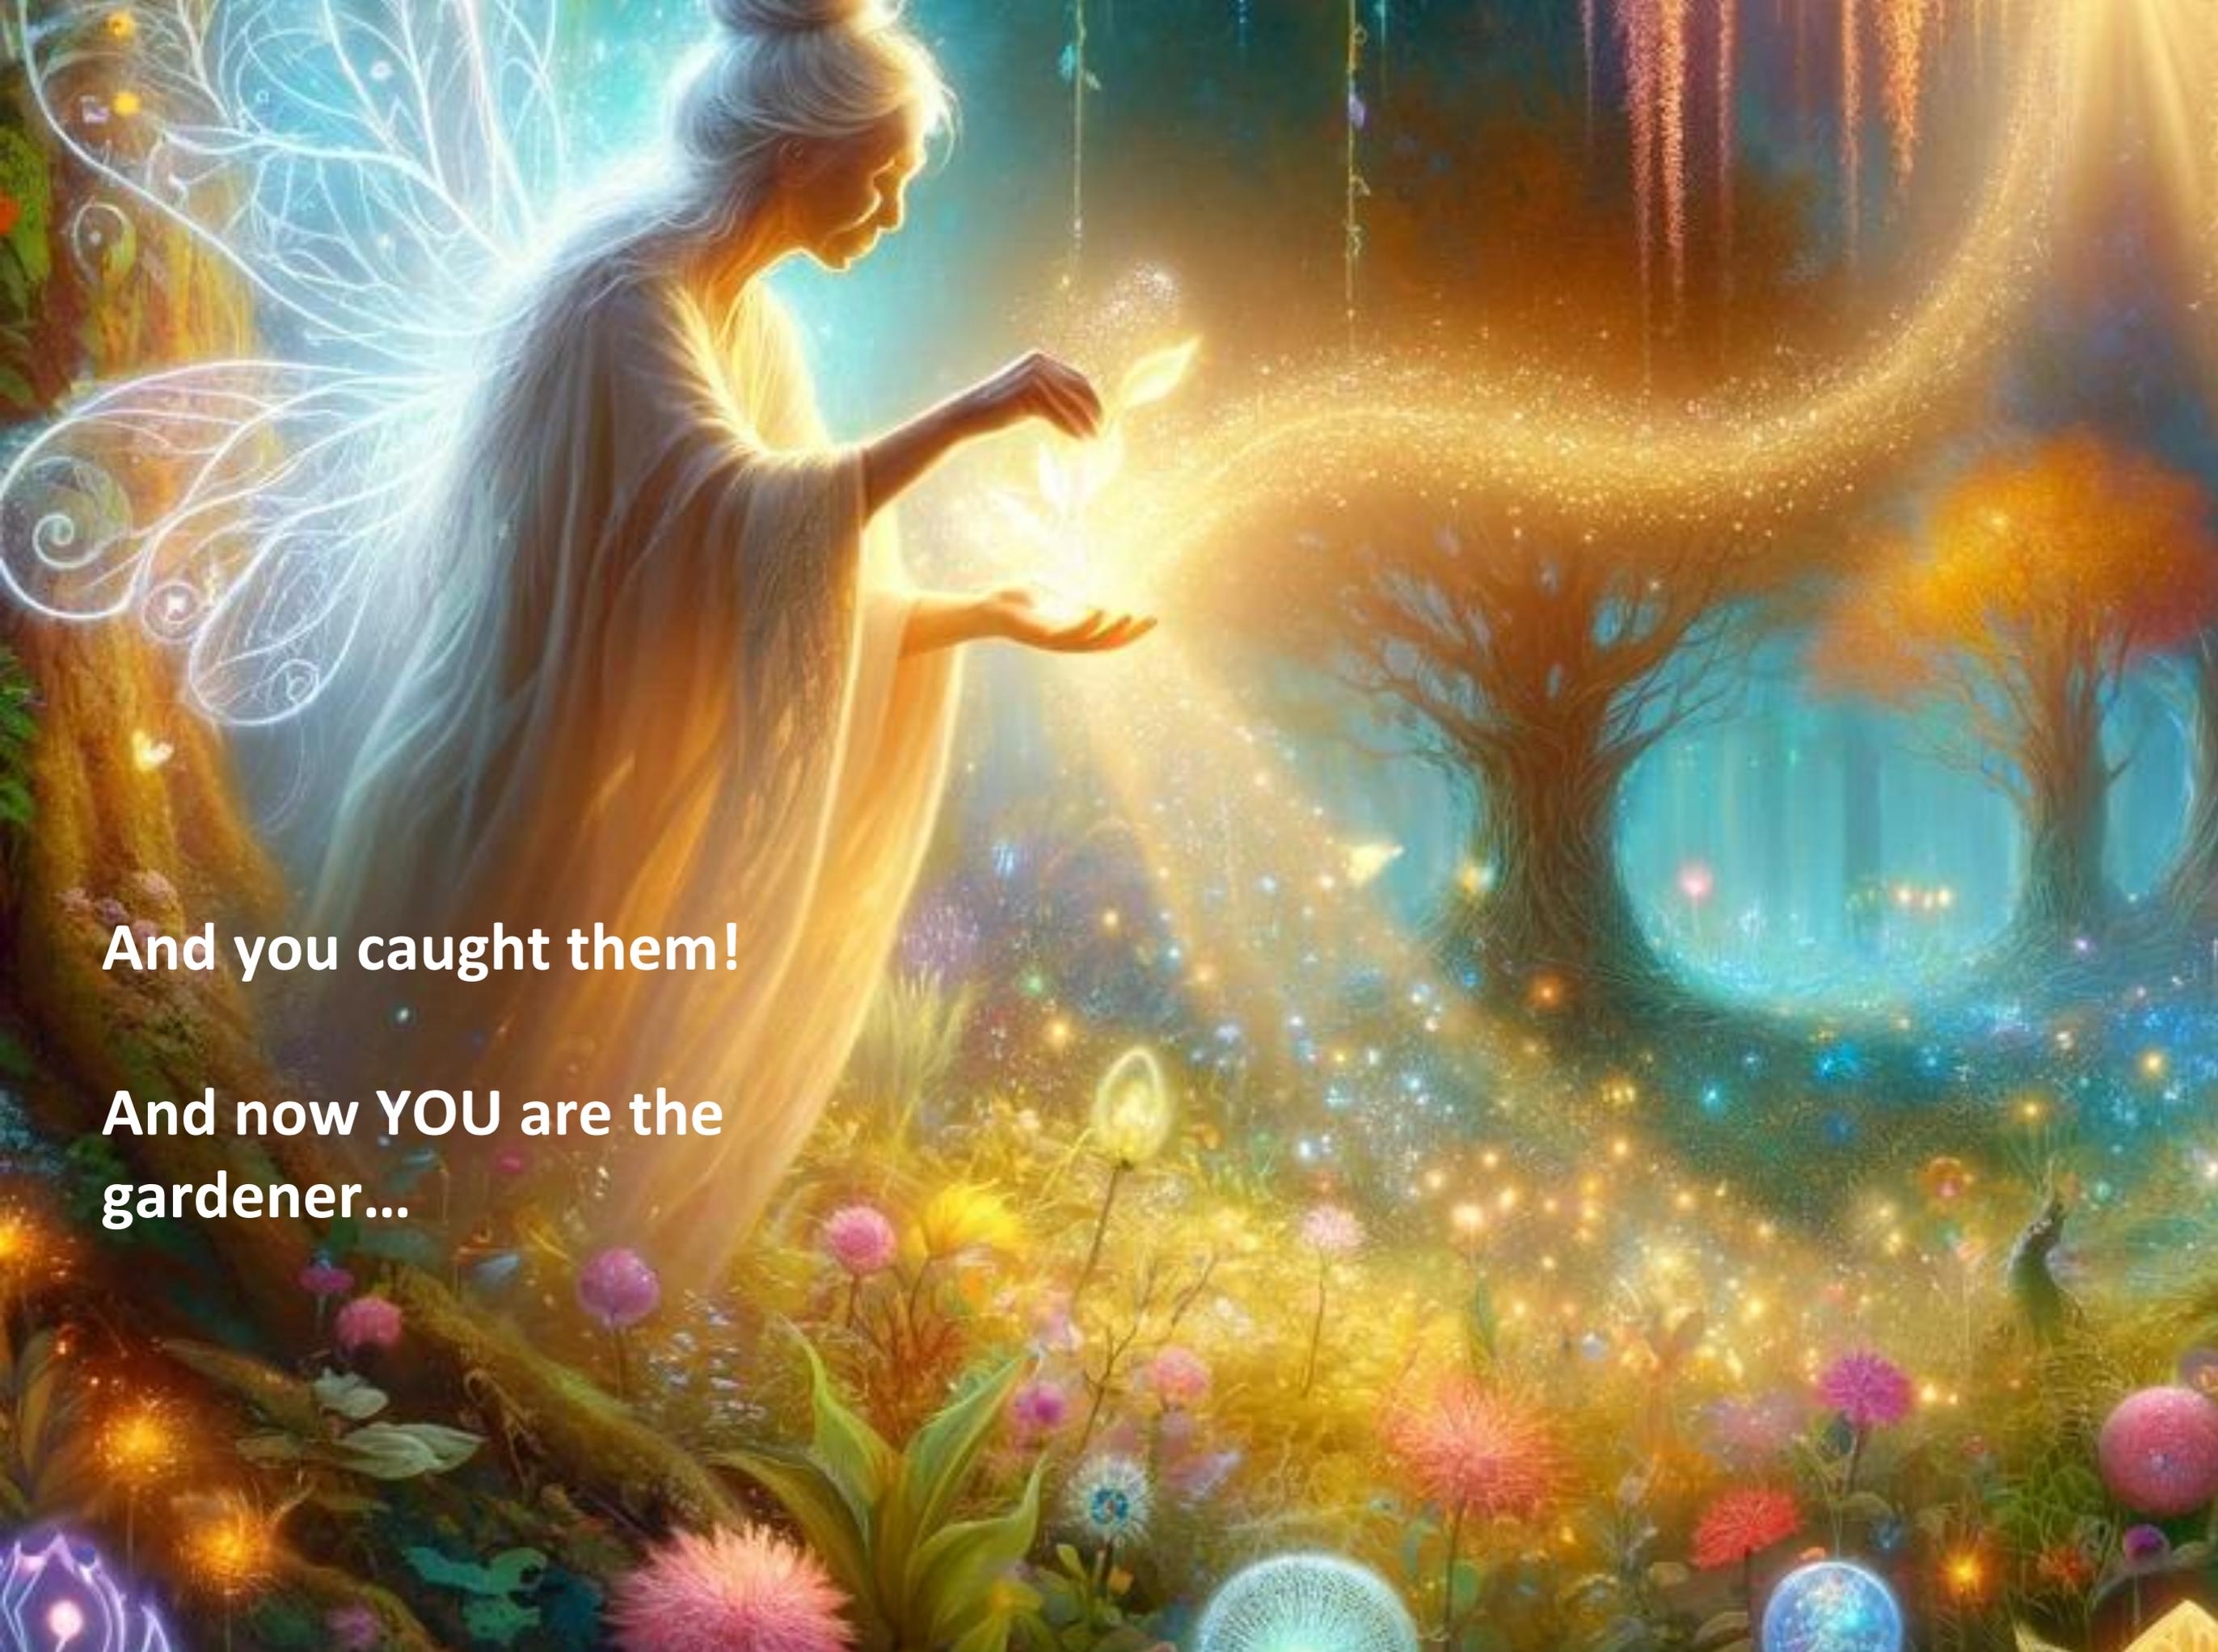

All those beautiful thoughts
you put down on paper...

They all came from there...

A cosmic scene featuring a bright star in the upper left corner, casting a blue and green glow. A small planet is visible in the center, and a larger planet with a prominent ring system is in the lower right. The background is a dark blue space filled with numerous stars.

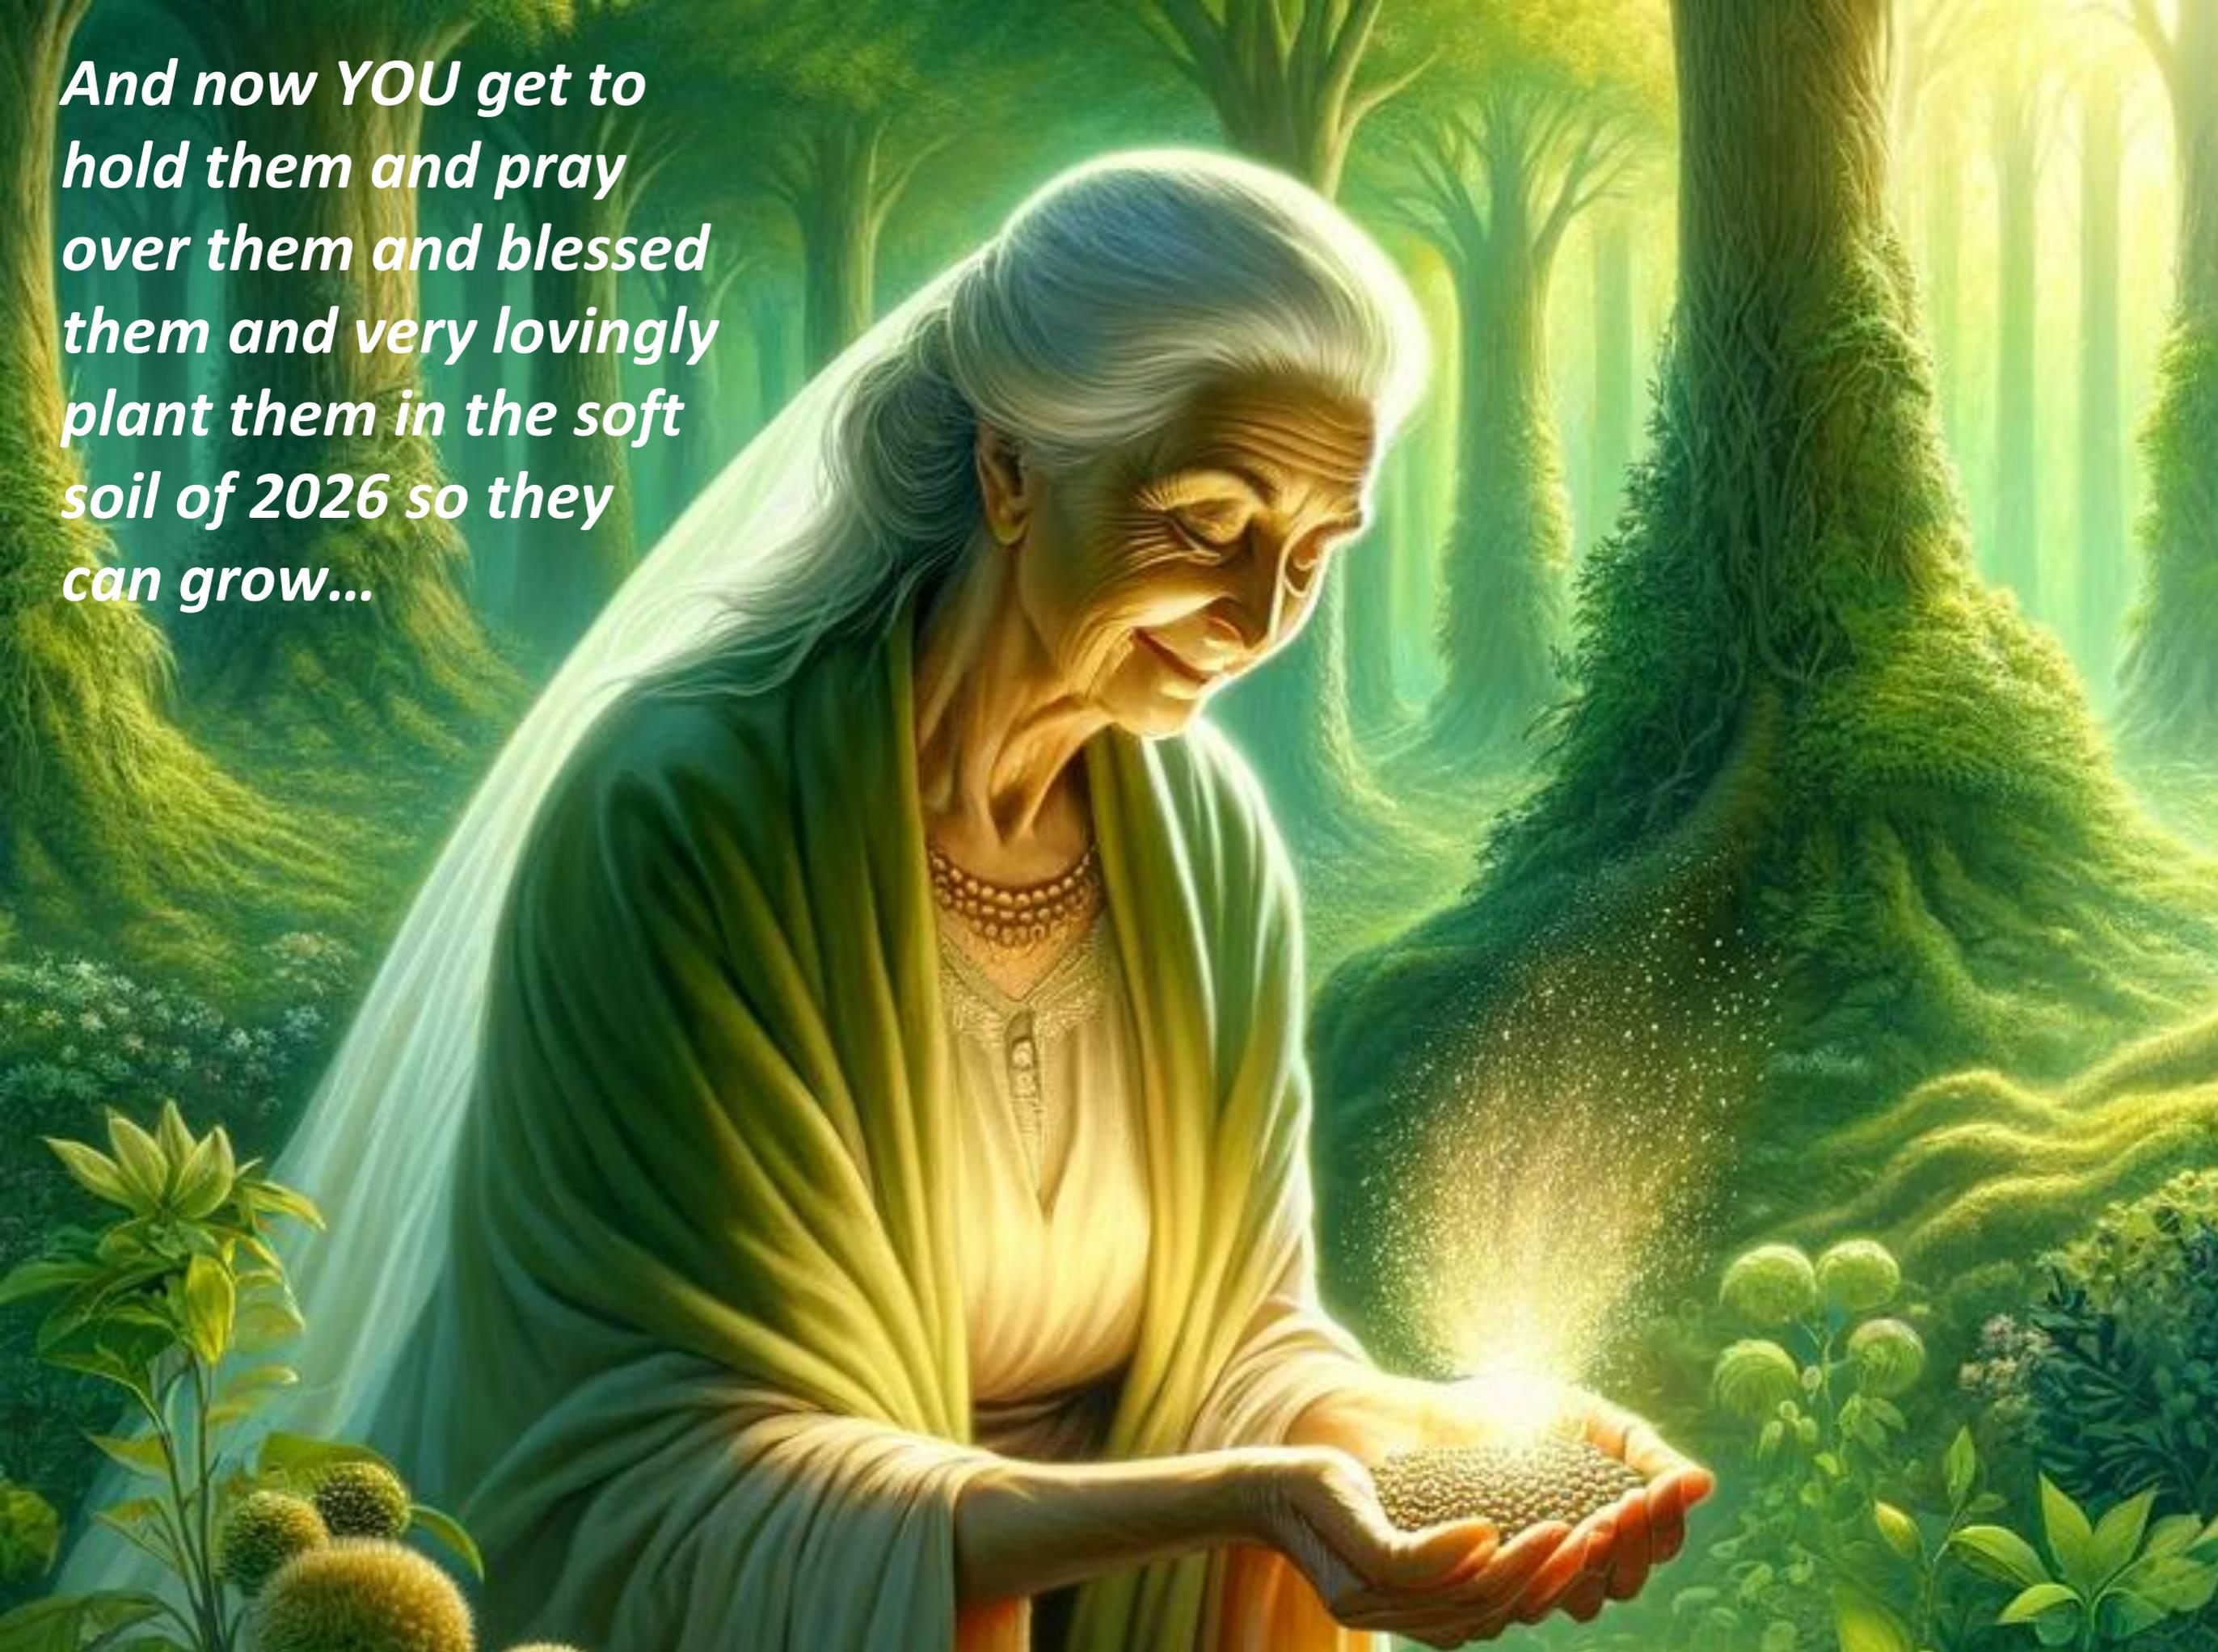

***Your Soul decided it was way past
time to get this party started, so
she sent them directly to you!***

And you caught them!

**And now YOU are the
gardener...**

*And now YOU get to
hold them and pray
over them and blessed
them and very lovingly
plant them in the soft
soil of 2026 so they
can grow...*

*So today, we
are gardeners.
We are
preparing the
seed bed and
the seed for
planting.*

A large, glowing orange and yellow flame or fireball is the central focus, set against a dark blue background. The flame has a textured, turbulent appearance with bright yellow and orange hues. To the left of the flame, there are several white, particle-like trails or sparks that appear to be moving away from the fire, suggesting a recent explosion or a fireball in motion. The overall composition is dynamic and energetic.

Notes

There are 2 more pages that complete the Magic of this Planner!

This is the Source Light Daily Protocol Page.

I usually place my goals or desired outcomes for the day/week on one side and then the daily to-do list on the other. The daily protocol is right there you can read it and place those goals in it everyday. I only included 2 of these pages per week because I found that I was just re-writing things as I wouldn't always finish in one day. 2 per week seemed adequate.

You can also pull cards or add frequencies of your choice below or just jot down notes.

DAILY TRACKER

For the next 20 hours continue to percolate, plot and create.

A person in a white dress is captured in a dynamic, dancing pose on a beach. The person is silhouetted against a bright, low sun, creating a strong backlight effect. Their arms are raised, and their body is in motion, suggesting a joyful dance. The background features the ocean with gentle waves and a sky filled with soft, white clouds. The overall color palette is dominated by warm tones of orange, yellow, and white, with the dark silhouette of the person providing a sharp contrast.

Ponder: What does fulfillment feel like?

As we dance...
