# Clear, Clean, & Current

Water's developmental  
task involves learning to  
run clear, clean,  
emotional current.

Seriously Important as a  
High Priestess

# Clear

Clear old emotional  
patterns and programs  
So you can be  
“current & clean”

**Water teaches you to respond to situations and life instead of react.**

**Really Watch Reactions as a High Priestess**

**Sometimes a reaction can be unconscious because the energy was it was simply the family emotional pattern.**

**Part of Water's developmental task is learning to identify and clear an "emotional charge."**

**Charges are like debris in your emotional water.**

**Your task is to learn  
to follow the thread  
of consciousness  
inside until you find  
what it is and clear  
it out of yourself so  
there is no more  
charge.**

**Sometimes through  
time and space**

**Relationship Issues  
with  
Vow to the  
Goddess.**

Clearing charges frequently takes time, as often there are layers.

Your job is to just begin noticing where you have one and begin developing the ability to clear them.

# Clearing

What needs to be emotionally cleared at the High Priestess level to run clear, clean, emotional current?

Where do you find yourself still reacting in life, in business?

# 4 Faces of Fear

- Flee
- Fight
- Freeze
- Faint
- How this impacts your creation energy.

The power of love  
exists in the element  
of Water.

The clearer your  
emotions, the more  
space there is for love  
to move in your life.

In the emotional realm you learn to love yourself fully, to nurture, to heal the inner child, and to create a space for clarity, flow, and love to move freely in your relationships with others.

**Increasing self-love  
begins  
to reflect in your outer  
world. Find ways to  
appreciate and fill  
yourself with love.**

**It is helpful to make  
conscious choices to  
love yourself no  
matter how else you  
are feeling.**
