YOUR
PRIESTESS
RELATIONSHIP
TO THE
LIVING FIELD
OF CREATION

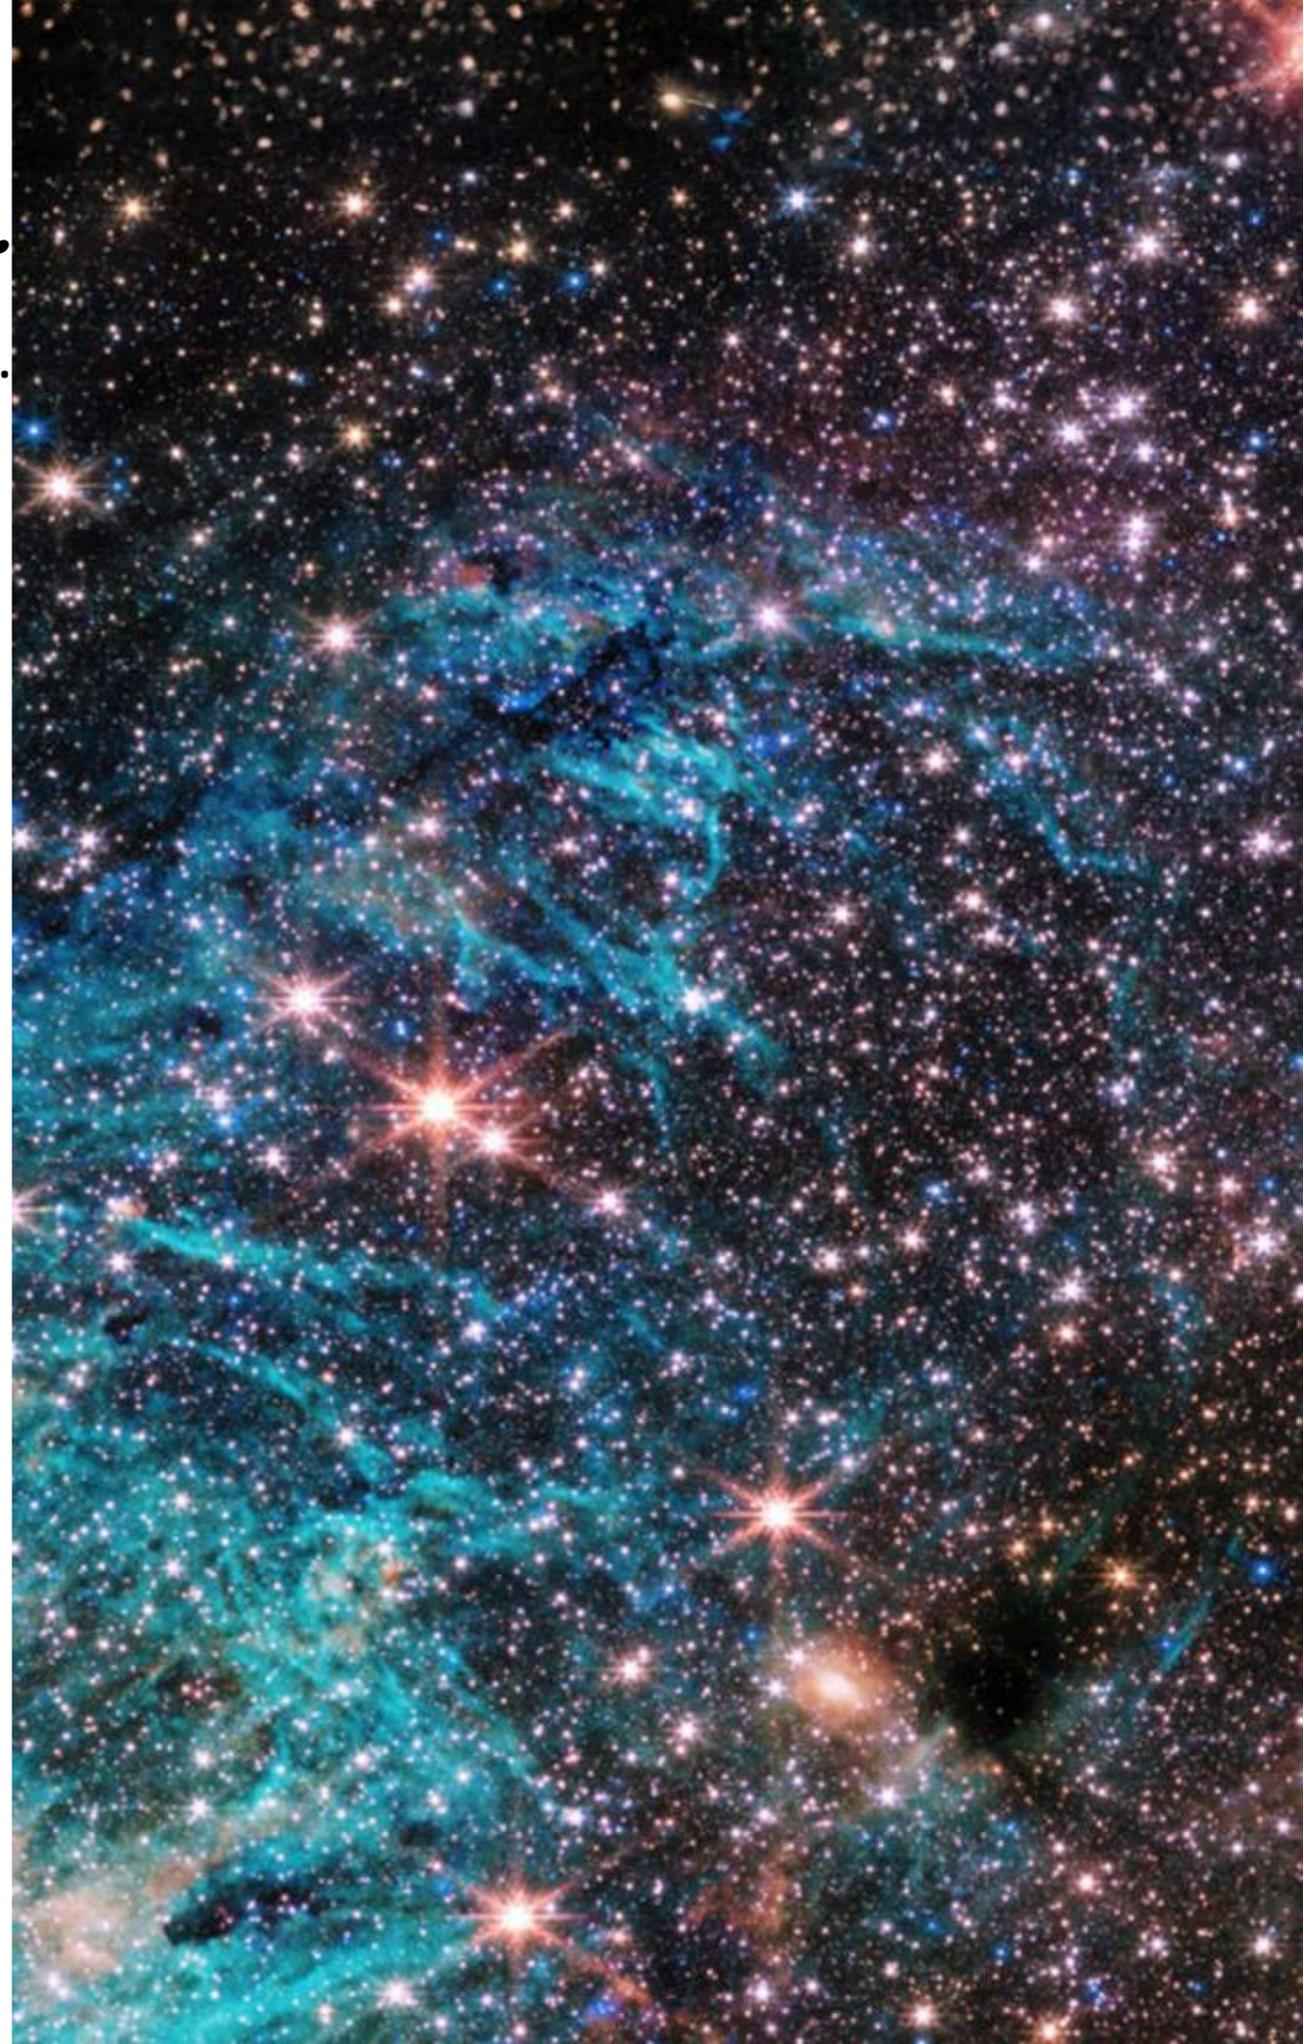

Beginning at the beginning...

Remember – Sophia was a big Creator Spirit, an Aeon. These are great spiritual forces, emanating directly from Source, that live in the Pleroma, deep in the black hole, the heart of our Galaxy.

She emerged from the Pleroma as a river of light who expanded out into the 2 arms of chaos of the galaxy. From there she dreamed us, the Anthropos – Divine Humans, She fell in love with her dream, and left the safety of the Pleroma, expanded herself out into the galaxy and solidified herself into this planet. This planet is her physical body.

Connecting with Her in this way actually activates codes in our DNA that have become dormant from lack of use. By coming into contact with Her on a regular basis we establish communication with Her these pathways are re-activated. **HOW DO WE DO THAT?**

CONNECTING WITH THE ELEMENTAL FORCES!

***The Elements: Earth, Air,
Water, Fire, and Spirit or Ether
are the messengers from
Original Source: SOPHIA!
They have a consciousness
bigger than their outward
appearance, just like you!***

They were born billions of years ago out of the primeval life force. They understand creation and destruction. They have had time to learn how to come into alignment with their neighbors and to help their children—the planets—and their great-grandchildren—life-forms upon Planet Earth. They can teach us lessons of right relationship with one another – all sentient beings.

Most modern humans have forgotten our essential connection to nature to our peril. We have grown strong and powerful and are capable of affecting, through our collective actions, the natural balance of our planet. In our arrogance and greed, we have taken our species and many others to the brink of destruction.

This is why it is imperative for us, as Priestesses, to develop a relationship with our Great Grandparents, the elements. We are the leaders that will lead the human race to begin to take responsibility for our actions.

This is also why we will spend SO MUCH TIME connect with them and learning about them! They are our first link to Divine Mother!
