Clarification of Steps 1-6

- Everything that is happening right now means you are right on target!
- The first three steps keep you focused on the path forward! This is why you need to do them everyday.
- They will go faster and get easier the more you do them.
- Simply stated they are:
 - What am I supposed to be learning right now?
 - What do I want?
 - Why don't I believe I can have it?
- Forgiveness
- Is it true? What is the truth?
- Affirm Your Abundance and Truth
- Keep Your Vibe High
- Release to the Will of the Divine

When we bring money into our lives from the masculine axis only we are driven by the masculine model of thinking of something and doing it. This tends to burn us out quickly.

Instead, we need to come to the process of creating financial flow from a connection to your body and feelings. From a clear place of connection to the source of money from within you, hold the feeling of success in the body, then take directed focused action.

“We humans have had a love/hate relationship with money that is deeply embedded in our psyches. We want money for what it can buy, but at the same time, we think money is bad, dirty, filthy lucre.

The fear that there is not enough money comes from our separation from the sacred aspect of money. In the divine realm, there is abundance for all. But over the centuries, we have created a world of duality, where the material world and the spiritual world have become separated.

When we change the energy around money from fear to love, we bridge the gap between the material and the spiritual world and make it possible for the unlimited abundance of the Divine to flow freely into our own lives and throughout the world.”

Barbara Wilder, Money is Love

What stands in the way?
Power Struggles with Your Inner
Masculine Which Gets Reflected
in the Outer World

Move step-by-step from creation
power struggles with the
masculine (inside and out) to
collaboration and cooperation.

Step 1

- Release the old power struggle story
- Fire: Power Struggle with Masculine -- very old fight story
- Any old issues about being seen as a woman with financial power.
- Fear of it being taken from you?
- Honoring your feminine ancestors.
- Journaling.

-
- Deserve-ability?
 - Will it disempower someone else?
 - Do you lose power from fear and doubt about what other people will think of you?
 - In Business?

Power

Step 2

- See the relationship with the outer masculine around money as a mirror for your inner masculine feminine relationship.
- How does it show up right now?
- What needs to happen to help them cooperate and create together?

Step 3

- Expand your thinking from EITHER/OR to how can we include BOTH/AND.
- Remember creation is an interaction between 4 completely different energies (Earth, Water, Air, and Fire) with Spirit flowing throughout.
- Open up to a third way besides one or the other...what creation idea is big enough for all of it?

Step 4

- Be willing and open to allow creative solutions to emerge. And be willing to stay with the process until they do.

Creation

“We have dreamed it: therefore it is. I have become convinced that everything we think and feel is merely perception: that our lives—individually as well as communally—are molded around such perception: and that if we want to change, we must alter our perception. When we give our energy to a different dream, the world is transformed. To create a new world, we must first create a new dream.”

Remember “Water puts out Fire”

On-going feeling of emotional expansion is CRITICAL! This is one of the MOST IMPORTANT components. The Water emotional aspect is what is happening below the surface.

- Be on the lookout for collapsing into “I can’t do it”.
- Remember staying in “overwhelm” is a choice.
- Plug your emotional money leaks...chaos, confusion, overwhelm, inability to make decisions... and allow your emotional confidence to support you -- like floating in a lake.
- Emotional Money Leaks: Are you trying to rescue others financially?
- Where do you need better money boundaries?

- Do you have a fear of rejection if you have more than others?
- Do you charge what your worth?
- Do You Set Clear Financial Boundaries?

“3 Keys to Extraordinary Confidence

1. Know your supply. Everything flows from Source/Spirit.
2. Think, Speak, and Act only wonderfully about yourself all the time.
Never refer to yourself in a derogatory way.
3. Surround yourself only with people and influences that support your purpose and your dreams, as well as respect how special you are.”

David Neagle

Modern Day Money Goddess

- Make sure your emotions are working for you and not against you...for you!
- Self-love increases your self-worth and ultimately your net-worth. Liberally apply self-love and refuse to allow your net-worth to determine your self-worth.
- Love is a powerful magnetic soul quality.

Deservability: Do you feel you deserve more abundance and wealth?

In what ways can you turn up your self-love and deservability?

“I am standing in my feminine financial power.” This is your mindset. You are standing in your feminine financial power making economic and life choices from your authentic feminine core. You connect to your inner guidance and you gracefully expand your ability to receive so that you may flourish as your best self in the world. Through your connection to the natural world and your clear flowing spiritual source, you create from your inner truth in ways that uplift those around you and contribute meaningfully to the world.”
