I, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pista Sophia, Keeper of the Sacred Portal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained, Joyfully hold the immaculate concept of the fulfillment of the Divine Design for each of these initiates lives.

I commit to being a respectful and supportive witness as they reawaken and call forth the High Priestess within and engage these alchemical creation mysteries. In gratitude it is done and so it is this 5th Day of February, 2020. Aho-Mitakuye Oyasin – All My Relatives
