Oh, Great Mother, Divine Feminine, birther of the cosmos, lover unto Spirit, Creatrix of all matter and Queen of all worlds within worlds and those without, We call to you this hour. We are your children, hear our call. We are the daughters and sons of your divine union, the flesh of your passion for life. You, who lay with Spirit, our Father, in the Beginning of Time, and brought us forth From the blessed union of Spirit and Matter, we are your children, the sons and daughters of your flesh and your heart, and we remember your touch, and the fragrance of your essence and we long for you. Come into our hearts and gift us the remembering. Come into our minds and open our genius. Enlighten us with your presence. Draw back the veils that we might see, and harken the doors to open, that beauty and ecstasy may life in our homes and hearts more fully. This is our hour of greatest need. We call you through fire and water, through earth and wind, through all that bears your name. We call all your lineages and all your names. Come to us. Come to us.

Her Gifts: Compassion and Grace

The Gene Keys, by Richard Rudd, are a divine download of the 64 sections of the I Ching, reworked for our new age. They correspond with the 32 double helix strands of our DNA, and as such, speak deeply to us on a soul level.

It will come as no surprise to many of you that the Gene Key for Grace is number 22, the number of the Prophetess.

“True Grace is difficult to describe in words. The reason for this is that you need to experience it in order to know what it is. Although Grace is a word that is often used in spiritual circles, it should not be used lightly. Rather it needs to be treated with the utmost respect. Grace has to be earned through Graciousness...to find graciousness in the face of suffering and perhaps find something more...holiness, itself, wearing a disguise. It teaches us not to turn our face away from the pain life offers us. We are all here to be tested until we show that faith in nature herself can never again be lost.”

“Grace is a presence that descends on humanity, and like all the Siddhis, it requires that we meet it halfway, which for us humans may seem a very long way. This is after all a perfected state in which everything about you and your life will be changed permanently. When true Grace descends, it wipes out all your past Karma in a flash. It also wipes out the Karma of all your ancestors and all their ancestors. Grace softens your rough edges, puts a permanent end to your fear and leaves you in no doubt whatsoever about your divinity. It also ensures that you never again forget. It is impossible to measure in words the sheer number of blessings that Grace bestows when it alights on us.”

“One who has been touched by Grace is always touched by Grace. If it happened to you one millennia ago in another universe or in another incarnation, it will never leave you. It will go on bathing you again and again. To be in the presence of some manifesting this Siddhi is to be entranced by the aura of love that surrounds them. It is something you can never forget, and it will stir your own soul to seek it until you find it. Grace is the very breath of the Divine. It is always there, waiting for us high above, if we only persist in our sacrifices. Wherever there is oppression, there is the possibility of Grace. If you can face oppression with a gracious spirit and a forgiving heart, Grace will come to you sooner or later. Grace is a feminine spirit, and she cannot resist giving herself to those who smile in the face of adversity.”

“You cannot hide from Grace. Grace is your true nature. It is your inheritance. It is the soul of the world. It is also a state that is beyond the laws of our world. If Grace touches you, you no longer create Karma. If Grace touches you, you no longer have your own destiny but become a musical instrument tuned and played by the gods. With Grace, all human emotion is instantly transformed into love. It is not a state with which most human beings are very familiar. As a species however we are moving into a new epoch that will be marked by Grace.”

“As a feminine spirit, Grace calls upon each of us to listen and receive her message and blessings. Above all, remember this: through Grace, the universe has but a single wish— for you to remember that you are love, and there is nothing in you but love.”

Blessed Mother,
As we ponder the gift that your life and
example has given humanity,
May we be blessed with your Grace.

May we always remember that Compassion
and Grace are gifts to be shared.

May we be reminded of the richness
embedded in the fabric of our aliveness.

May we be ever grateful for the gift of your
love.
