Threshold Questions

A photograph of a garden scene, likely a courtyard or a small park. In the foreground, there is a stone wall with a large, arched opening. To the left of the arch, a nude female statue is seated on a pile of autumn leaves. To the right of the arch, another nude female statue is seated on a stone ledge, also surrounded by autumn leaves. The background features several large, mature trees with green and yellowing leaves, suggesting an autumn setting. A wooden picnic table is visible in the distance. A black lantern hangs from a tree branch on the right side. The entire scene is overlaid with a dark, semi-transparent layer, and the text "Calling in Sacred Space" is centered in white. The overall mood is peaceful and contemplative.

Calling in Sacred Space

A dimly lit room with three women. The woman in the foreground is wearing a black tank top and has her eyes closed. Her hands are placed on the shoulders of a woman in a blue patterned dress behind her. Another woman is partially visible in the background, also with her eyes closed. The text "Open to Receive" is overlaid in the center.

Open to Receive

Self-Proclamation

From Nicole: Power cannot be bestowed on an individual by an outside authority. One must wholeheartedly claim it for her/himself and embody it on the basis of Inner Authority. This potency of this proclamation is amplified when joyfully and respectfully witnessed by others.

SEAL: One Year and One Day

The cellular and energetic integration of the internalized New Earth Priestess is complete in one year and one day after self-proclamation and emergence. Celebratory acknowledgement of this completion is a joy to the Soul of the Awakened Priestess!

A photograph of a memorial altar. In the foreground, several lit tealight candles are arranged on a dark, wet surface. Interspersed among the candles are smooth, light-colored stones and a few red, round objects. A large, vibrant green fern frond lies prominently in the lower left. In the background, a small waterfall flows over rocks, surrounded by lush greenery, including various ferns and long, thin leaves. The scene is dimly lit, with the primary light source being the flames of the candles. An orange horizontal bar is visible in the upper right corner of the image.
