As we have said in every Module:

“The Medicine Wheel represents the circle of all life. When you sit in the wheel and evoke the sacred, all life comes to sit in council. The human, only one member of the web of life, can use the ceremony of the wheel to restore contact with all the relations of life. The animal relations, plant relations, stone people, spirit relations, all things come to sit in council. Our connections with the world are thus restored and the healing of the Earth begins anew. The wheel of life, the medicine wheel, is a map for everything in the universe, a blueprint of the web of life. As Black Elk said, this wheel exists in all things. Within each of us, too, the Medicine Wheel exists as our inner council.” - *Sacred Plant Medicine* by Stephen Buhner

Last week we learned some of the broad but fundamental workings of the Medicine Wheel.

This week we want to look deeply at each direction and some of the energies that live there.

I also want to give you time to feel into and journal with each direction.

The picture next to you may also give your inquiring minds a few hints about why the Medicine Wheel is so potent. It is never really talked about, but yes, it is Sacred Geometry at it's finest...

If you leave here, with nothing else today, I want you to know that Gaia is your Mother and she loves you. She has a personality, a “face,” and a Spirit that is guided by a Heart filled with more love than you can imagine. She has provided us with everything we need to live, grow, learn and become on this planet and be fully Higher Self/Spirit directed or self-directed as we choose. As we are coming to know, the Medicine Wheel is where all this information is housed.
