Calling in Sacred Space

Direction: North

We invite the direction of the North and the element of Earth - the physical realm - to our circle. With Earth we activate our ability to gain inner knowledge from our connection to nature. We ask to embody wholeness with Spirit fully connected to our bodies, and for constant awareness of the sacredness of all life. We ask to hear the deep wisdom of our body as it assists us in maintaining good health. We learn to structure sustainable foundations and earth-centered systems. We call on bear, cats, dogs, horses, and all four-legged creatures that walk the earth in harmony with her rhythm. As we develop the soul quality of gratitude, may Earth share with us her guidance on fertility and abundance so we may become grounded in all endeavors. As we activate the power to stand on our own, may we be aligned with the highest good for all.

We invite the spirit of the lakes, rivers, streams, oceans, and rain to join us. We invite the dolphins, whales, fish, mermaids, and water sprites to our circle. We invite the direction of Center and Spirit to our circle. We honor both the Divine Feminine and Divine Masculine. We activate the As Above/So Below Mysteries and the As Within/So Without Mysteries.
