A still life arrangement of various objects, likely for a spiritual or ceremonial purpose. In the foreground, there are two potted plants with green leaves and small pink flowers, one in a red paper pot and the other in a pink paper pot. To the right, there are several oranges, a glass candle holder with a lit candle, and a small white statue of a deity. A piece of paper with handwritten text is visible in the lower left. The background is filled with more plants and decorative items. The text "Call in Sacred Space and Open to Receive" is overlaid in the center in a white, serif font.

Call in Sacred Space
and Open to Receive

I, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pistis Sophia, Keeper of the Sacred P:ortal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained, Joyfully hold the immaculate concept of the fulfillment of the Divine Design for each of these initiates lives.

I commit to being a respectful and supportive witness as they reawaken and call forth the High Priestess within and engage these alchemical creation mysteries. In gratitude it is done and so it is this 23rd Day of August 2023.
