**CLEAR,  
CLEAN, &  
CURRENT**

Water's developmental task involves learning to run clear, clean, emotional current.

7

**Clear**

As a priestess learn to clear old emotional patterns and programs

So you can become "current & clean"

8

Water teaches you to respond to situations and life instead of react.

Sometimes a reaction can be unconscious because the energy was it was simply the family emotional pattern.

9

Part of Water's developmental task is learning to identify and clear an "emotional charge."

Charges are like debris in your emotional water.

10

Your task is to learn to follow the thread of consciousness inside until you find what it is and clear it out of yourself so there is no more charge.

Cellular Shift

11

Clearing charges frequently takes time, as often there are layers.

Your job is to just begin noticing where you have one and begin developing the ability to clear them.

In the emotional realm you learn to love yourself fully, to nurture, to heal the inner child, and to create a space for clarity, flow, and love to move freely in your relationships with others.

17

Increasing self-love begins to reflect in your outer world. Find ways to appreciate and fill yourself with love.

It is helpful to make conscious choices to love yourself no matter how else you are feeling.
