Practical “Money Goddess” daily system for financial clarity and focus

- 5 Minute Daily Tracking All Income and Expenses
- Planning Your Purpose for the Money
- BE RHYTHMIC!
- How do I need to improve in this area?

Turn up your
“Money Set Point”
and start consciously
creating wealth.

Key #1

- Make Clear Decisions.
 - Decide how much money you want to make and by when.
 - How do I need to be clearer about what I truly choose to generate, save, and invest, and instead of going on default with how much I “think” I can create?
-

Key #2

- Make Money a Priority and Focus on Income
 - If you want to create more money you have to make it a priority!
 - Energy flows where attention goes.
 - Do I make income generation enough of a priority?
-

Key #3

- Give Yourself Full Permission to be Financially Successful
 - Have I given myself full permission to be financially successful?
-

Key #4

- Release Perfectionism
 - Imperfect action beats perfect inaction every time!
 - Where have you been stopping yourself financially because you are not perfect?
-

Key #5

- Ground each day in GRATITUDE!
 - In what ways do I need to focus more fully in gratitude each day?
-

Key #6

- Make Your Buying Decisions not from fear of spending -- make them from a clear place of Power of Choice
 - Watch this carefully because fear is tricky and it can hide beneath the surface.
 - Also, clearly decide if you want something or not. If you do, then stop saying you can't afford something and find a way to create it. INSIGHTS
-

Key #7

- Consistently ask yourself what would a woman standing in her “Money Goddess Power” do?
 - What would you attempt to do if you knew you could not fail?
-

Key #8

- Honor the Art of Practice
 - Be supportive of yourself as you practice standing in your feminine financial power.
 - You wouldn't try to become a professional ballet dancer with one lesson.
 - In what ways do you need to practice your money dancing skills?
-

Key #9

- Deepen the Ways You Honor and Value Your Assets, Skills, and Talents
 - In what ways do I need to more fully honor and value my assets, skills, and talents?
-

Key #10

- Anytime you want business or financial clarity, do it the Divine Feminine way and spend time in silence, in nature, and/or dancing. Rest, honor your body, rejuvenate, take good care of yourself.
 - Do I need more self-care and time in nature?
-

Use Nature's Rhythms to Boost Your Conscious Wealth Creation

- New & Full Moon
- Seasonal Cycle
- Wheel of the Year

“Once you commit to change, everything in your life that does not work about money will arise. Your old patterns will try to make their last claim on you. Stay committed to your transformation, it occurs in layers.

Changing your relationship to money is a big step. Many people never get conscious around money. Fear gets in their way and keeps them stuck. Getting conscious is hard work, but it is the only path to having the money life you really want.

You have chosen to take a leap of faith. Faith in your ability to create your own future. Faith that you can look at what you don't want to see and choose again. Faith that you know how to take care of yourself. Faith that you are enough.

For money isn't just money. It may represent how you keep score, how you measure your self-esteem, or how secure you feel. By becoming more conscious and choosing your future, you create a new money foundation”

Modern Day Money Goddess

- Make sure your emotions are working for you and not against you...for you!
- Self-love increases your self-worth and ultimately your net-worth. Liberally apply self-love and refuse to allow your net-worth to determine your self-worth.
- Love is a powerful magnetic soul quality.

“I am standing in my feminine financial power.” This is your mindset. You are standing in your feminine financial power making economic and life choices from your authentic feminine core. You connect to your inner guidance and you gracefully expand your ability to receive so that you may flourish as your best self in the world. Through your connection to the natural world and your clear flowing spiritual source, you create from your inner truth in ways that uplift those around you and contribute meaningfully to the world.”
