The Elements: Earth, Air, Water, Fire, and Spirit or Ether are the messengers from Original Source: SOPHIA! They have a consciousness bigger than their outward appearance, just like you!

They were born billions of years ago out of the primeval life force. They understand creation and destruction. They have had time to learn how to come into alignment with their neighbors and to help their children—the planets—and their great-grandchildren—life-forms upon Planet Earth. They can teach us lessons of right relationship with one another – all sentient beings.

Most modern humans have forgotten our essential connection to nature to our peril. We have grown strong and powerful and are capable of affecting, through our collective actions, the natural balance of our planet. In our arrogance and greed, we have taken our species and many others to the brink of destruction.

This is why it is imperative for us, as Priestesses, to develop a relationship with our Great Grandparents, the elements. We are the leaders that will lead the human race to begin to take responsibility for our actions.

High Priestess Ability to Hold Space

Clear, Clean, & Current

Water's developmental
task involves learning to
run clear, clean,
emotional current.

Seriously Important as a
High Priestess

Clear

Clear old emotional
patterns and programs
So you can be
“current & clean”

Water teaches you to respond to situations and life instead of react.

Really Watch Reactions as a High Priestess

Sometimes a reaction can be unconscious because the energy was it was simply the family emotional pattern.

Part of Water's developmental task is learning to identify and clear an "emotional charge."

Charges are like debris in your emotional water.

**Your task is to learn
to follow the thread
of consciousness
inside until you find
what it is and clear
it out of yourself so
there is no more
charge.**

**Sometimes through
time and space**

**Relationship Issues

Vow to the
Goddess.**

Clearing charges frequently takes time, as often there are layers.

Your job is to just begin noticing where you have one and begin developing the ability to clear them.

Clearing

What needs to be emotionally cleared at the High Priestess level to run clear, clean, emotional current?

Where do you find yourself still reacting in life, in business?

4 Faces of Fear

- Flee
- Fight
- Freeze
- Faint
- How this impacts your creation energy.

**The power of love
exists in the element
of Water.**

**The clearer your
emotions, the more
space there is for love
to move in your life.**

In the emotional realm you learn to love yourself fully, to nurture, to heal the inner child, and to create a space for clarity, flow, and love to move freely in your relationships with others.

Increasing self-love begins to reflect in your outer world. Find ways to appreciate and fill yourself with love.

It is helpful to make conscious choices to love yourself no matter how else you are feeling.
