## Check-in

6

- We have activated your Crystalline Womb.
- We have anchored that connection with a first blood ceremony to "turn on" your womb connection to the elemental forces in a powerful way.
- We have activated your Womb on the Physical level, the Energetic level, the Mental/Emotional level, and the Spiritual level.

Today we will activate our womb and anchor it on the Crystalline level.

This is the Meta-intention we will hold:

To anchor and activate our Crystalline Womb on the Crystalline Level.

## *The Care and Feeding of the Crystalline Womb Take the Challenge!!*

- Is your MoonDala some place that you see it every day, when you wake up and when you go to sleep. Look at it daily.
- Spend as much time outside, solidly on the ground as you can. If you can be in a circle or have a fire, all the better.
- Charge your womb with breath daily.
- Clear your womb of old relationship pain regularly (like we did in class).
- Clear your Heart Arc the regularly.
- Talk to your Womb. Use the questions from module 1 now.
- Practice Moon Lodging.
- Commit to only partake in authentic lovemaking, to not compromise yourself in any way. Do not partake in any sexual behavior that is not holding your highest potential.
- Begin the process of clearing the physical and energetic womb space with the practices in Body Wisdom Bootcamp.
