A still life arrangement of various items including potted plants, glass jars, oranges, a statue, and papers, with the text "Call in Sacred Space and Open to Receive" overlaid. The scene is set on a red fabric surface. In the foreground, there are two potted plants wrapped in red and pink paper. Behind them are several glass jars, some containing water and others containing a dark liquid. A bunch of oranges is visible in the background. To the right, there is a white statue of a seated figure, possibly a deity or a historical figure. A piece of paper with handwritten text is lying on the surface in the foreground. The overall atmosphere is one of a sacred or ritualistic space.

Call in Sacred Space
and Open to Receive

I, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pistis Sophia, Keeper of the Sacred P:ortal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained, Joyfully hold the immaculate concept of the fulfillment of the Divine Design for each of these initiates lives.

I commit to being a respectful and supportive witness as they reawaken and call forth the High Priestess within and engage these alchemical creation mysteries. In gratitude it is done and so it is this 1st Day of March 2023.
