It helps to have some
tools...

and a sense of the
Alchemical
Transformation Process

Nature is an inexhaustible storehouse of riches. The supply will never run out. Original substance is alive with creative energy and is constantly producing more forms.

The formless stuff is intelligent; it is material which thinks.
It is alive and is always impelled toward more life.

The universe is a great living presence, always moving inherently toward more life and fuller functioning. --Wallace Wattles

Stages of Alchemy

Step 1: Calcination

A burning off of
pretenses and
unworkable belief
systems that hinder
our progress.

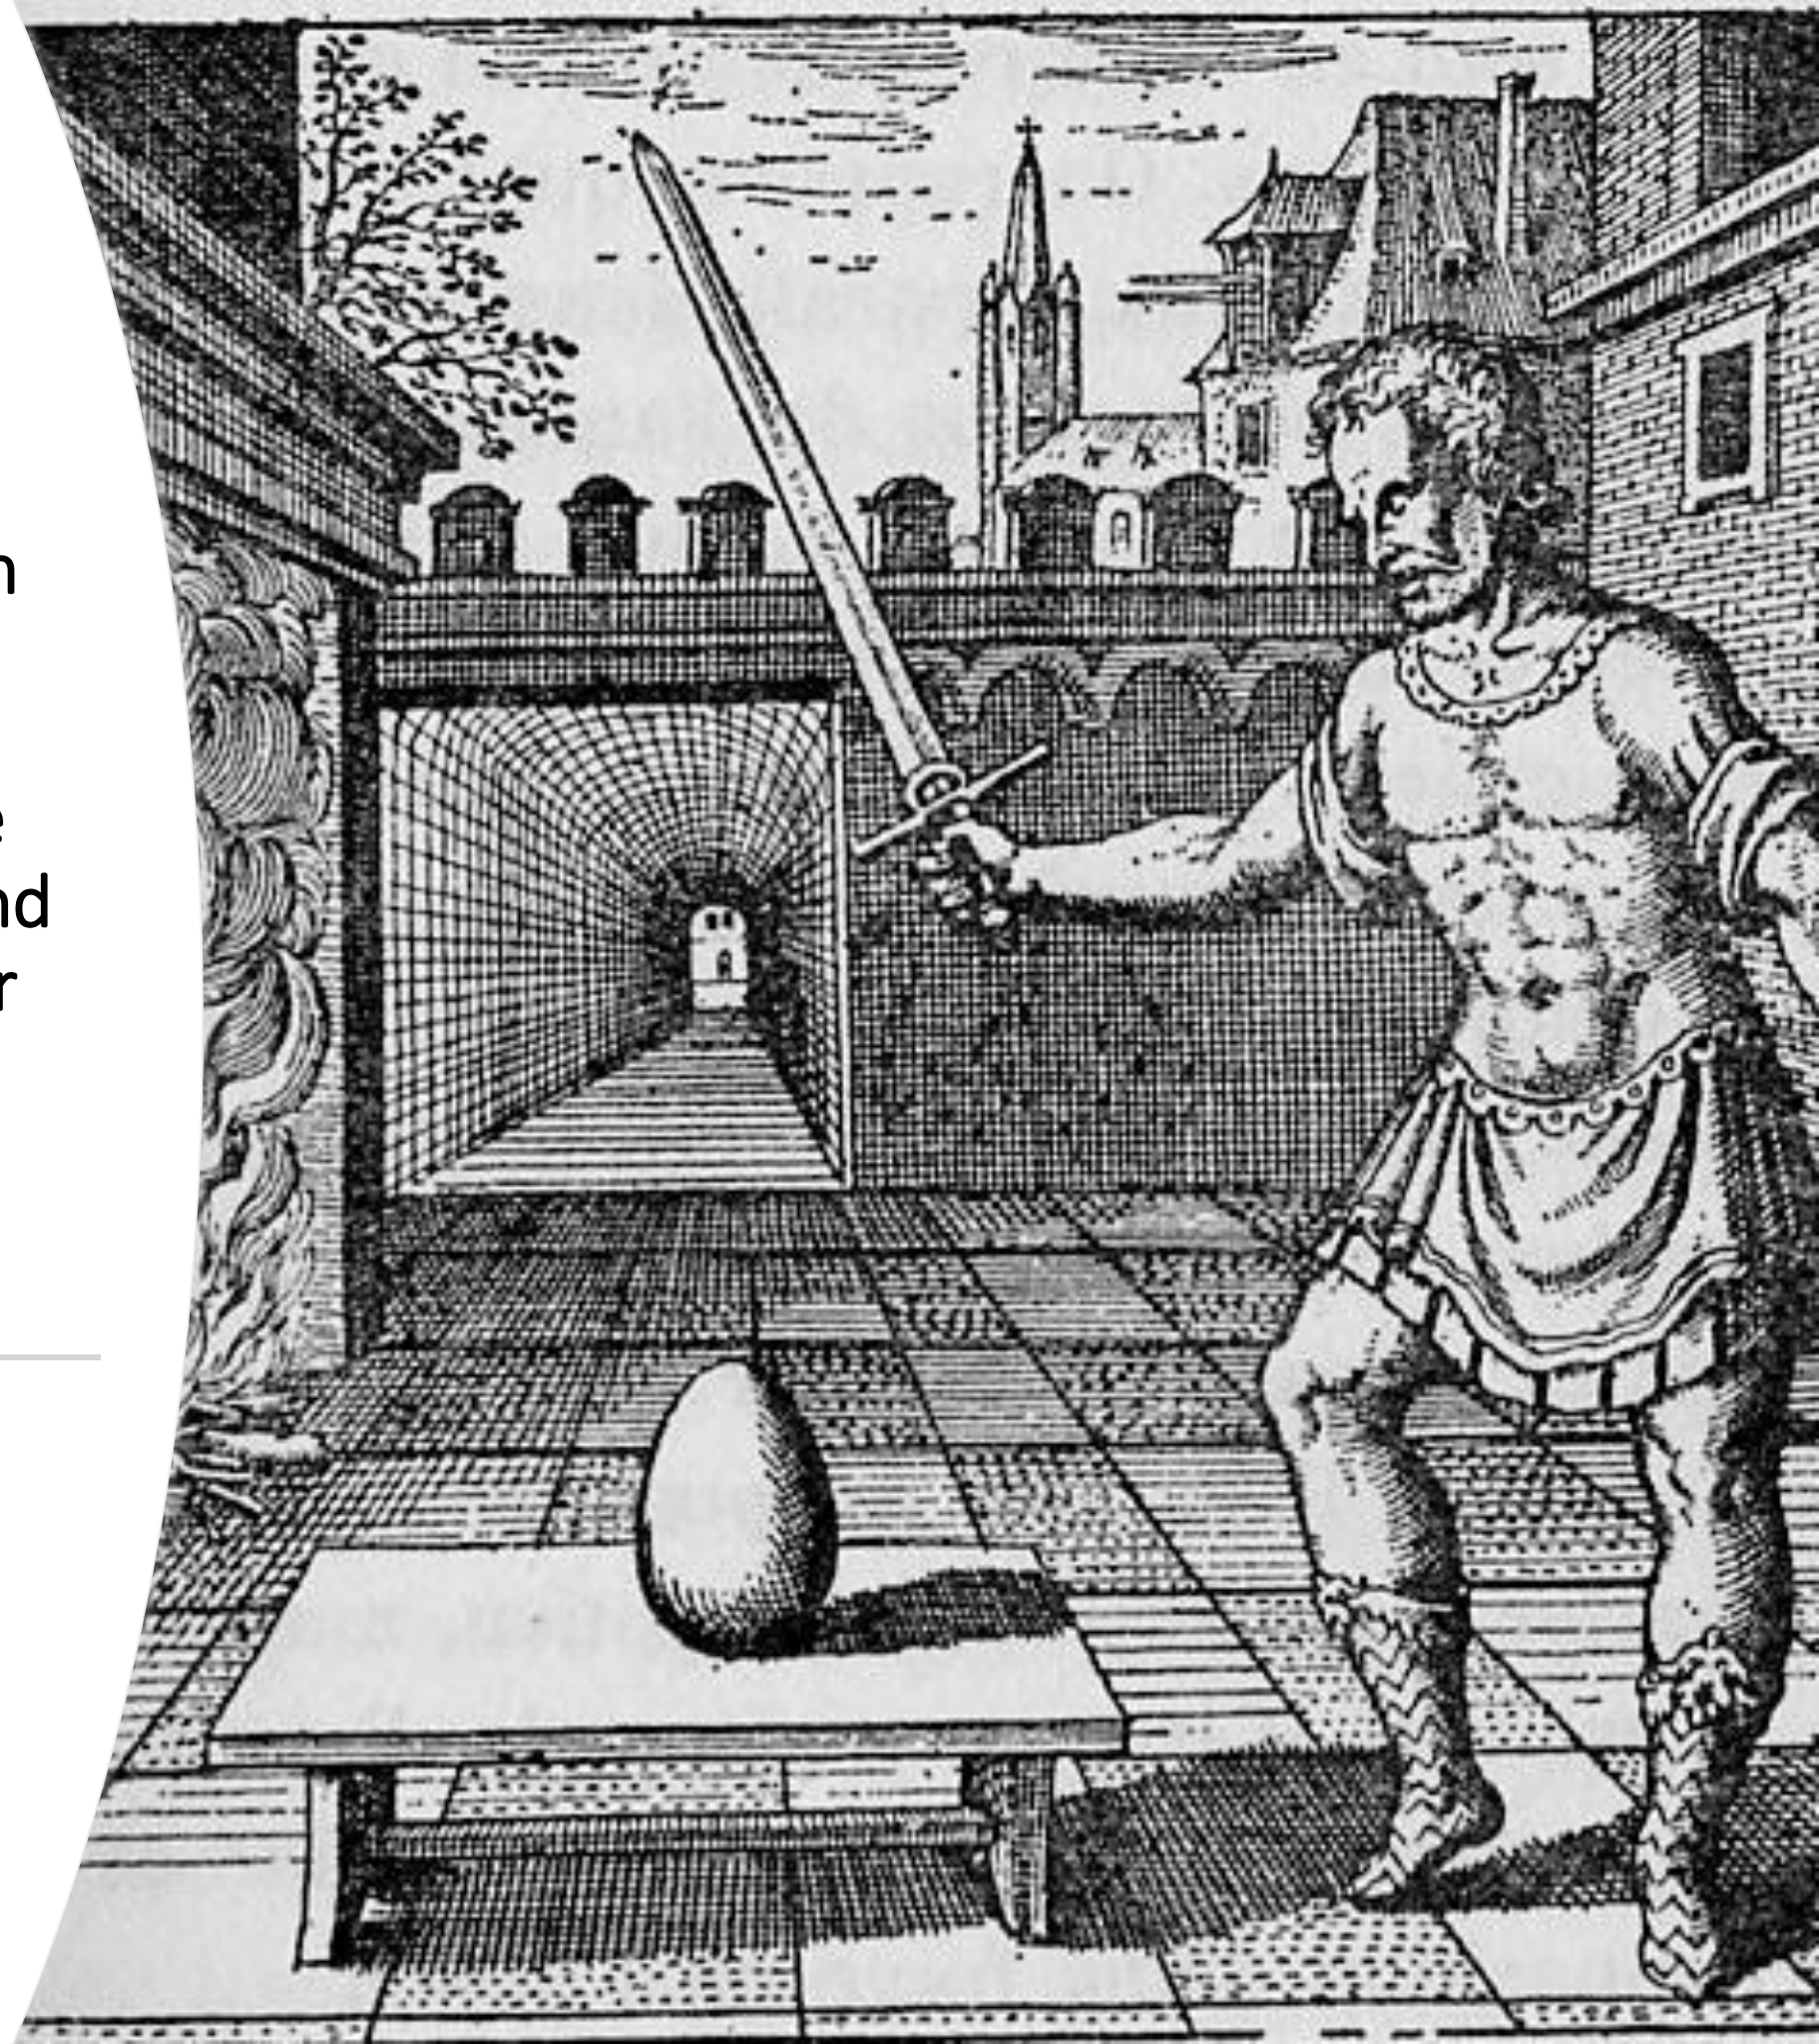

Step 2: Dissolution

Works on the heart
and id to release
buried emotions that
conceal or distort
our true nature.

Step 3: Separation

During this breaking down of the personality into its basic components, the alchemist becomes aware of the opposites within and separates them from their contamination with ego complexes and unwanted unconscious elements.

Step 4
Soul + Spirit =
Conjunction

Ego Can Stand
Between The
Union

Step 5: Fermentation
Associated with the [Dark
Night of the Soul](#)
psychologically.

“Here, we undergo a type of rebirth, resulting from the deep willingness to let go of all elements of [ourselves] that no longer serve our spiritual evolution. This marks the true beginning of inner initiation, of entry into a ‘higher’ life in which our destiny has a chance to unfold.”

[Mistlberger](#)

Step 6: Distillation

When you become distilled, you are grounded in both the earthly and spiritual worlds simultaneously. You have matured, no longer expecting life to meet egoistic expectations, and have released belief in negative self-regard.

Your Divinity

Clearing the Priestess Archetype Meditation

A photograph of two women sitting in a living room, both focused on writing in journals. The woman on the left is wearing an orange sleeveless top and a colorful, multi-layered skirt with floral and abstract patterns. She is seated in a wooden chair with a patchwork quilted backrest. The woman on the right is wearing a light blue patterned short-sleeved shirt and dark pants, seated on a dark blue sofa with floral cushions. She is wearing glasses and a white wristband. The background shows a yellow wall and a framed picture. The text "Journal Your Insights" is overlaid at the bottom in white.
