

As Above So Below - As Within So Without - 8.14.19

You are an Infinite Eternal Spirit of Unconditional Love Light Energy Consciousness - who was never meant to be contained, but only to shine brightly with the unique rainbow of colors and talents and expressions of You Being You would share with the Collective that Is Us, The One.

You came to Earth to Shine, but in putting yourself into the container of man - encounter the Paradigm shift of Yourself as Less Than and lose connectivity to the One, by coming to believe that you are truly Less Than. Accepting man's truth as your own.

You journey across time and space, filling in your souls lifetime with experiences that range from all polarity and colors of life experience. Divine Love is about Shining Forth. Divine Love was NEVER intended to be contained.

This journey is all about you being and standing in your truth, but to know your truth, you have to acknowledge the lies you have been telling yourself, about who you truly are.

You do and are standing in your truth at all times, but it is not THE TRUTH of who and what you are, it is what You Currently Believe Yourself to Be in the Deepest Parts of yourself – out-pictured in your reality, so you can see that which is unseen and know that which is unknown (*under your awareness*).

Those unpleasant reflections in your current reality are there to Inform and Teach you about beliefs that you hold about yourself. If they rub you the wrong way, then in some way, you align with them - if you believed otherwise - these unpleasant reflections of reality would not bother you at all, you would immediately go into compassion and pray

for their benefit and release them to their Divine Paths as The Perfection They Are, Without a Second Thought or a Second Glance.

At all times, you are in alignment with what you believe yourself to be, while being out of alignment with Who You Really Are.

Until you are in Alignment with Your Truth Of Divine Love, Unconditionally Loving, Unconditionally Cherishing, and Unconditionally Accepting Yourself - these unpleasant out-picturing's in your reality will not cease. It is only by Loving, Cherishing and Accepting Yourself - That You Will Heal Your World.

There would not be those who act unloving and unkind to you, if you were not being unloving and unkind to yourself - or your vibration would not have attracted them or that situation to you.

There would not be those judging you, if you were not sitting in judgement of (at some level, from this lifetime or carried over from other lifetimes) yourself.

Don't you see? This Life is all about You Seeing The Without as a Reflection of The Within, so You can Self-Heal!

If you Truly Unconditionally Loved and Cherished Everything That You Equate as You (to where there is no good, nor bad, nor ugly - there is only You Loving Everything About You - Seeing Everything About You as Beautiful) and Fully Accepted All Aspects of Yourself, there would be nothing that another could do or say or out-picture at you that would cause you a nano-second of pause, because you would know The Truth of You and you would not perceive anything of their out-picturing at you as Worthy of You, nor as truth on any level.

Those people, places, situations - whether in memory or currently out-picturing in your reality, are only there to let you know what you have left to heal within yourself, by telling you what you have not let go of (still holding onto that is no longer serving you that you need to release), what you have not accepted about yourself (That You In Fact Are Divine Love In Form), what you have not forgiven about yourself (perceptions of self-error when the Entire Cosmos Is Perpetual Perfection - there never has been a mistake - everyone and everything has always been perfect for every soul to grow on their path), what you cannot see, because it is under your awareness.

These places of rub, are showing up, for your behalf, so you can have more of You, be more of You, sing more of You with Joy - by no longer aligning with the container of: Self-Judgement, Self-Loathing, Self-Blame, Self-Criticism, Self-Questioning, etc.

Life is all just a huge exercise in Greater Levels of Self-Awareness as you begin to accept the Full Truth of Who and What You Truly Are!

You Are Divine Love. You Were NEVER Meant To Be Contained. How Could A Complete Hologram Of The One (Each of Us Are a Complete Copy of The Totality of The One Beingness), Ever Be Contained?

Divine Is The Wind, That Blows From Everywhere, All At The Same Time. Divide It A Thousand, Thousand, Thousand Times and Each Sub-Atomic Particle of Unseen, Wields the Power of the Entire Cosmos.

You have lived as human too long. It is Time To Remember Your Truth. Do not accept the judgment of man as Truth, use this outpicture of external judgement (From The Without Direction) as the Gift it is, to ferret out anywhere within yourself there exists Self-Judgement and Self-Blame (Inside the Within Direction) and once

and for all extinguish it's containment of Your Expression of Divine Love Light.

You Are God and Goddess, Within a Human Form. You Hold the Power of All Worlds in the Palm of Your Hand and By Your Heart Do You Create Your Reality.

If You Know Yourself as Gods, Would you ever allow anyone (Even Yourself) to speak so unlovingly to yourself? Would you allow other's opinions of you (Even Those You Love or Revere) to supersede your own knowing of your Godhood?

Would you permit any malignment to your Divine, If You Truly Believed it to Be So? This is the road we are All on. To become so Self-Identified as Divine that no out-picturing of the contrary even creates so much as a blip on our emotional radar and our vision is as clear as seeing the Earth from Outer Space, where Everything is Beautiful, Blessed and One.

Aho! You Are All Such Beautiful Lights! I Love You! Shine With All the Might Within Each of Your Hearts! And Light the World! Aho!
