

# Sagittarius:

"I am Sagittarius, a fire sign. I create the ninth gate of awareness, through which I teach the significance of expansion. I am the dynamic, out-going, truth-seeking explorer. I constantly quest for expansion by physically and energetically seeking out new ideas and territories. I bring my expanded awareness and discoveries back to share with others as a teacher of philosophy and of evolving states of

consciousness. I passionately search for the meaning of life through freedom, growth, and development."

The sun is in Sagittarius generally from November 22 - December 21.
