A photograph of a bonfire in a field at dusk. A large, bright fire of logs and branches is burning in the center. To the left, a person in a dark cloak and hat stands with their back to the camera. To the right, a woman in a floral dress and dark jacket walks towards the camera. The background shows a line of trees with autumn foliage under a blue and orange sky.

 - **Mindful of leaking energy**
 - **Water puts Fire out... If fire gets low notice what you are feeling - especially shame, guilt, non-truth**
-

Primary Power ACTION

Where do you need to take action?

- Sometimes you are the one.
 - Are you waiting for others to step up and lead.
 - Are you waiting for permission?
-

Do you take action in life
that is in alignment with
your dreams and
desires?

**You actually have
to sit down to
write if you want
your book or
product in form.**

Take action.

Apply Initiative.

Action

As a transformational element - action can transform a situation.

Aligned action.

**Get moving!
Get moving!
Get moving!**

- Where do you need to get moving?
 - And how as a Priestess?
