QUESTIONS

FACILITATION:

- I have a new Priestess class beginning January 9, on-line and January 12 in person. You are welcome to come to the online and in-person classes any time you choose.
- All FACILITATORS-in-TRAINING will be required to facilitate at least one class. More if you like. So be looking over the Modules and see which one resonates with you. These will be available on a first come-first served basis. Those of you who work on-line will be able to co-facilitate with me on-line and will also be required to facilitate at least one class.
