Feminine and Masculine Principles  
Alchemically Unite In Co-Creation

5

One of the processes in the ancient art of alchemy is the union of the solar and lunar forces within, the masculine and feminine. This needs to happen before the higher levels of spiritual transformation can occur.

6

*Transformation*

- Old Story Clearing
- Before New Story Roots
- Patience Please
- Time Inner Re-crafting

7

Not about a traditional wedding view point but about the deep inner union of the masculine and feminine principles within.

Until we heal and reweave the old story clearing any blocks to this creative union we can project our unresolved issues on to others around us. Potentially creating conflict and frustration.

8

Soul + Spirit  
Ego Can Stand Between The Union  
Alchemical Stages of Clearing

9

The first step of Calcination, is a burning off of pretenses and unworkable belief systems that hinder our progress.

10

The second step of Dissolution. It works on the heart and ego to release buried emotions that conceal or distort our true nature.

11

Melting down of the old way of being. Seems challenging because it seems like nothing is happening and we feel stuck. Our minds don't know what's next we are in the unknown.

12

During the third step of Separation, the breaking down of the personality into its basic components, the alchemist becomes aware of the opposites within and separates them from their contamination with ego complexes and unwanted unconscious elements.

13

- MASCULINE & FEMININE
- BRING FORTH NEW LIFE.
- NEW WAYS OF BEING.
- THE THIRD THING.

14

At this juncture of the process, how is your inner union working together in creation? What do you need to know now?
