Walking the Path of the Modern-Day Priestess

There is a sacred path many women are walking, often quietly, often unknowingly.

It begins not with a crown or a title, but with a breath. A moment of presence. A single decision to feel more deeply.

This is the path of the Priestess.

She is not a role to play. She is not a fantasy from another realm.

She is a way of being, deeply embodied, fiercely present, tenderly devoted.

The modern-day Priestess doesn't wait for initiation in a temple.

She is initiated through life. Through grief and silence, through stillness and sound. Through moments that crack her open and reveal a deeper truth waiting underneath the noise.

And every time she chooses presence,
every time she chooses to feel rather than flee,
every time she listens...

she is walking the Priestess path.

Self-Proclamation

From Nicole: Power cannot be bestowed on an individual by an outside authority. One must embody it on the basis of Inner Authority. This potency of this proclamation is amplified when joyfully and respectfully witnessed by others.

I am High Priestess, Kathy Red Eagle, Keeper of the Sacred Mysteries, Pistis Sophia, Keeper of the Sacred Portal of Wisdom and Enlightenment, Magna Sophia, She whose Compassion cannot be contained. I hail to the Goddess Mary Magdalene through the lineage of Isis. The gift I bring to the community is Divine Connection to Source through Light.

It has been an honor and a privilege to Walk With You through this Portal.

Ancient Mother

The Priestess Lives in Presence

She is not in the rush. She is not in the mask. She is not in the 'should.'

She is found in a single breath that moves through the body with awareness.

In the sensation of fingertips gliding across skin.

In the moment you place your hand on your womb and whisper, "I'm listening."

The Priestess is attuned to the invisible.

She walks between spirit and soil, between cosmos and clay.

She is the bridge, not floating above life, but anchored in it.

Not escaping the body but descending into it.

She trusts what arises in the moment. And she builds her life around that trust.
