Calling in Sacred Space

Direction: South

We invite the direction of the South and the element of Water - the emotional realm - to our circle. With Water we activate our emotional maturity and ask to have the wisdom to respond, instead of to react, to life. We ask that our emotional realm be clear, clean, and current. We invite the spirit of the lakes, rivers, streams, oceans, and rain to join us. We invite the dolphins, whales, fish, mermaids, and water sprites to our circle. We honor our inner child, the deep teachings of the mirror of relationships, and the potency of regeneration. We activate and align the Water power of love with the highest good for all.

Water Honoring Prayer

*Sweet Water, thank you for your precious nourishment.
Your essence quenches our soul's longing for love.
You bring moisture to all our dry places
with your never-ending wellspring of feelings.*

*You soften the ground we walk upon
and bring forth the flowering of our being.
It is you that cleanses the body temple
as you wash away our inner doubts.
You bring the richness of relationship
and help us to see our reflection in the mirror of others.*

*Next to you, oh great and holy Water,
we feel the rejuvenation of Source.
Our hearts lift up in gratitude for how you
create the fertile ground of life.
We honor you and sing your praises...blessed be sweet Water.*

Water Blessing

*Water, in gratitude we ask that (name or this being,
this couple, this organization) be blessed by you
with an over-flowing sea of love.
May the lives of all those who come into contact
with (her/him/them) be enhanced by their abundance of love.*
