Clear, Clean, & Current

Water's developmental task involves learning to run clear, clean, emotional current.

Seriously Important as a High Priestess

Clear

Clear old emotional
patterns and programs
So you can be
"current & clean"

Water teaches you to respond to situations and life instead of react.

Really Watch Reactions as a High Priestess

Sometimes a reaction can be unconscious because the energy was it was simply the family emotional pattern.

Part of Water's developmental task is learning to identify and clear an "emotional charge."

Charges are like debris in your emotional water.

**Your task is to learn
to follow the thread
of consciousness
inside until you find
what it is and clear
it out of yourself so
there is no more
charge.**

**Sometimes through
time and space**

**Relationship Issues
with
Vow to the
Goddess.**

Clearing charges frequently takes time, as often there are layers.

Your job is to just begin noticing where you have one and begin developing the ability to clear them.

Clearing

What needs to be emotionally cleared at the High Priestess level to run clear, clean, emotional current?

Where do you find yourself still reacting in life, in business?

4 Faces of Fear

- Flee
- Fight
- Freeze
- Faint
- How this impacts your creation energy.

The power of love
exists in the element
of Water.

The clearer your
emotions, the more
space there is for love
to move in your life.

In the emotional realm you learn to love yourself fully, to nurture, to heal the inner child, and to create a space for clarity, flow, and love to move freely in your relationships with others.

**Increasing self-love
begins
to reflect in your outer
world. Find ways to
appreciate and fill
yourself with love.**

**It is helpful to make
conscious choices to
love yourself no
matter how else you
are feeling.**
