Your Financial Creation Power Tools Found in Nature's Rich Secrets

A Divinely inspired practical template for aligning the elements into a fertile field for financial creation.

Feminine Money Relationship Issues

Power: Suppressed/Victim/Giving-Away-Power or Claimed Your Inner
Financial Power

Where have you suppressed, given away your power around money, or felt like a financial victim?

Where do you feel weak financially?

Where have you claimed your inner financial power?

Where do you need to claim more inner feminine financial power?

Blame: What do you blame money for not getting to do or be?

Judgment: Where are you judging others around money?

Where are you judging yourself around money?

Disappointment: Where are you allowing your energy to constrict in disappointment?

Blame: What do you blame money for not getting to do or be?

Guilt: Do you have any financial guilt?

Shame: Do you have any financial shame?

Are there other ways you constrict the flow of money into your life?

“Always speak in terms of advancement. Never allow yourself to feel (contract from) disappointment. You may expect to have a certain thing at a certain time and not get it at that time. This will seem to be a failure. But if you hold to your faith, you will find that the failure is only apparent.*

Go on in the certain way, and if you do not receive that thing, you will receive something so much better that you will see that the seeming failure was a prelude to great success.”

Fear: Flee, Fight, Freeze, Faint

Where do you fight around money when you are in fear?

Where do you flee around money when you are in fear?

Where do you freeze around money when you are in fear?

Where do you faint around money when you are in fear?

Air: Clear your old limiting money beliefs

Inner Money Conflicts Examples:

Spending with the energy of “I want this” but “I shouldn’t buy it” creates a push--pull conflict.

Punishing and beating up on yourself energetically for past money mistakes creates non-flow in your energy field.

Conflicting inner voices “it’s not or shouldn’t be about the money” and “money is important to thriving” creates self-doubt and stops the flow.

“There is a thinking stuff from which all things are made, and which, in its original state, permeates, penetrates, and fills the interspaces of the universe. A thought in this substance produces the thing that is imaged by the thought. A person can form things in her thought, and by impressing her* thought upon the formless substance, can cause the thing she* thinks about to be created. ”*

- Wallace Wattles, *The Science of Getting Rich* * my gender change

Family messages “we don’t have much money but we have a lot of love” creates a disconnect between money and love.

Old religious mind-set “spiritual teaching should be free”, or a belief there is no money in the arts, these mind-set’s limit

Conflicting inner voices “it’s not or shouldn’t be about the money” and “money is important to thriving” creates self-doubt and stops the flow.

Step 5: Recognize and Reframe: Is It True? What is the Truth?

Do this exercise right now...

- Pick a false belief that came up in your work last week or tonight. It doesn't have to be a heavy one. It can be something like: "I don't deserve to have what I want, because..." Write it in your journal.
- Then pray: *"I humbly ask for a miracle. Please, help me to see things differently. I am willing to see differently."*
- Ask yourself, is this true? If not, what is the truth? Let the answer pour out on the page.
- Then ask, "What do I want?" And write that down.
- Then, "Why do I deserve to have it?" (or whatever pertains to your specific false belief.)

STEP 6: THINK AND BELIEVE THE NEW THOUGHT

"Miracles restore the mind to its fullness. By atoning for lack, they establish perfect protection...Miracles are examples of right thinking, aligning your perceptions with truth as Divinely created."—A Course in Miracles

This is the real work. Once we have cleared the debris it is time to begin to reprogram that thought into our brain. I like to really go deep and program my subconscious for success. The golden rule about this is repetition. Obviously when you begin, you may experience resistance. But just commit, to reading the following every day for the next six weeks. In the morning when you do your work and in the evening before bed. See if you don't see some positive changes.

(Note: Substitute whatever word resonates for you with regard to Divine Source. It could be God's Wealth or Creator's Wealth or Universal Wealth or the Goddess's Wealth, Mother Earth's Wealth, Divine Source's Wealth or even LOVE. Just make sure it feels good and true for you.)

"I am now writing into my subconscious mind the idea of Love's Wealth." "I know that God-Goddess is the Source of my supply. I know that God-Goddess is the Life Principle within me and I know that I am alive, and all my needs are met in every moment of time and in every point of space. God-Goddess's wealth flows freely, joyously and ceaselessly into my experience and I give thanks for God/Goddess's riches forever circulating in my experience. God-Goddess is my instant supply, meeting all of my needs right now."

"I am born to succeed. I am born to create miracles. The infinite wisdom within me cannot fail. Divine law and order govern my life. Divine peace fills my soul. Divine Love saturates my mind. Infinite intelligence guides me in all ways. Divine Creator's riches flow to me freely, joyously, endlessly, and ceaselessly. I am moving forward in all ways, spiritually, financially, physically, mentally and emotionally."

“I know these truths are sinking into my subconscious mind and I know and believe they will grow. Divine Source is my supply. I am infinitely guided in all ways. The Goddess always opens a new door.”

“A miracle is a correction introduced into false thinking...It acts as a catalyst, breaking up erroneous perception and reorganizing it properly.” – A Course in Miracles

You can also support yourself with short simple affirmations that you can recite throughout the day whenever you think about it. What to supercharge your practice? Do these on a mala!

“Thought is the impelling force which causes the creative power to act. Thought is the only power which can produce tangible riches from the formless substance. The stuff from which all things are made is a substance which thinks. A thought of form in this substance produces the form.

Original substance moves according to its thoughts. Every form and process you see in nature is the visible expression of a thought in the original substance.

“To think what you want to think is to think TRUTH regardless of appearances. There is no labor from which most people shrink as they do from that of sustained and consecutive thought; it is the hardest work in the world. This is especially true when truth is contrary to appearances. Every appearance in the visible world tends to produce corresponding form in the mind that observes it. This can only be prevented by holding the thought of the TRUTH.

It requires power to think health when surrounded by the appearances of disease, or to think riches when in the midst of the appearances of poverty. But, she who acquires this power becomes a master mind. She* can conquer fate; she* can have what she* wants. *My gender change*
