CHECK-IN ~

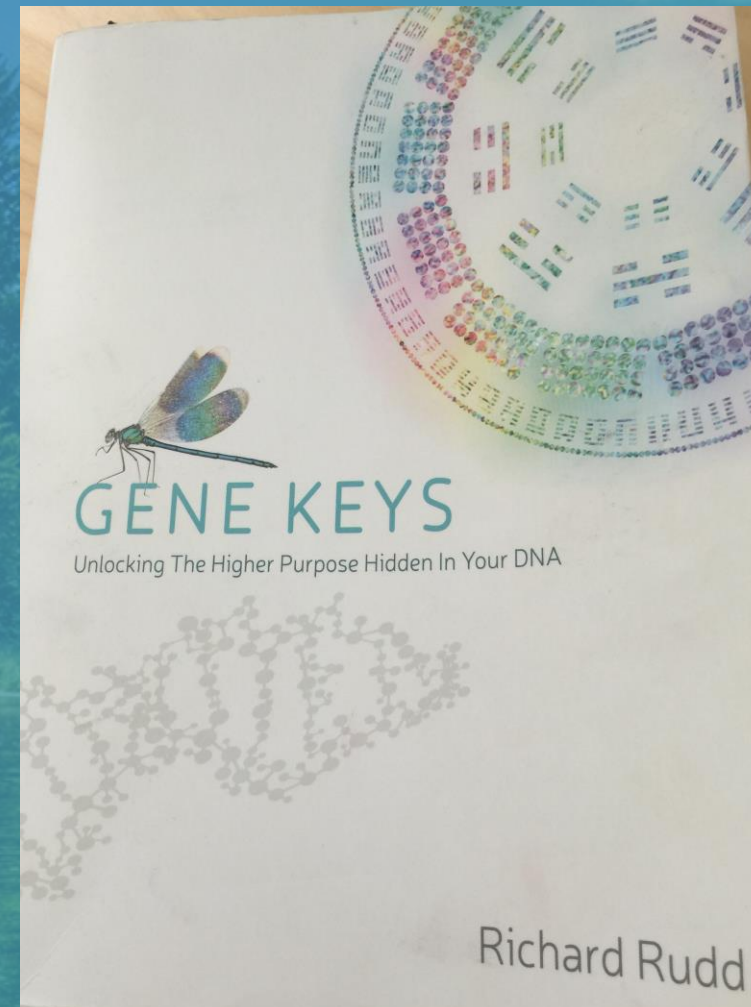

HAVE YOU FELT THE DIVINE FEMININE MOVING IN YOU?

The 16th Gene Key: Gift: Versatility

The Gift level is the level that we refer to as genius and the nature of genius is **versatility**.

One has the ability to understand an energy signature that pervades all creation.

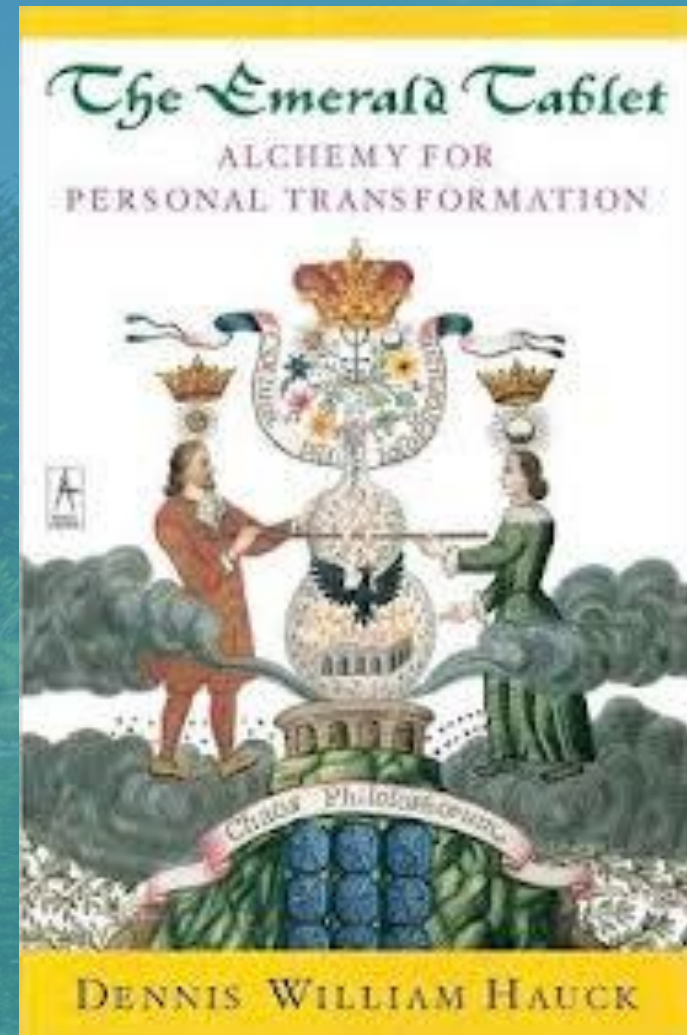

So let's review what we know...

- Everything we see originates from primordial substance (The Sophia Frequency) through the door of Sacred Geometry.
- Everything that we see has literal **SOURCE LIGHT (PRANA)** in it.
- This SOURCE LIGHT has ***specific frequency attributes*** that are measurable.
- It is always found in the **CENTER** of every object.
- It can be grown & cultivated with attention.

FOR THE ALCHEMISTS, THE ONE THING WAS THE PRIMA MATERIA, OR FIRST MATTER, THE COMMON SOURCE OF ALL THINGS ON ALL LEVELS. (ONCE AGAIN, THE SOPHIA FREQUENCY)

ALCHEMISTS OFTEN COMMENTED THAT THE FIRST MATTER IS SOMETHING THAT ALL OF US DISCARD IN OUR YOUTH AS HAVING NO VALUE, WHEN IN FACT IT IS ONE OF THE MOST POWERFUL THINGS WE ENCOUNTER IN LIFE—ALTHOUGH IT HIDES AT THE EDGE OF REALITY, BALANCED BETWEEN PHYSICAL AND NONPHYSICAL BEING.

This prima matta, or prana, or source light, at its energetic level can be identified by 3 distinct vibrations on the vibration color wheel:

- ▶ Negative green,
- ▶ Ultra-violet, &
- ▶ Gold.

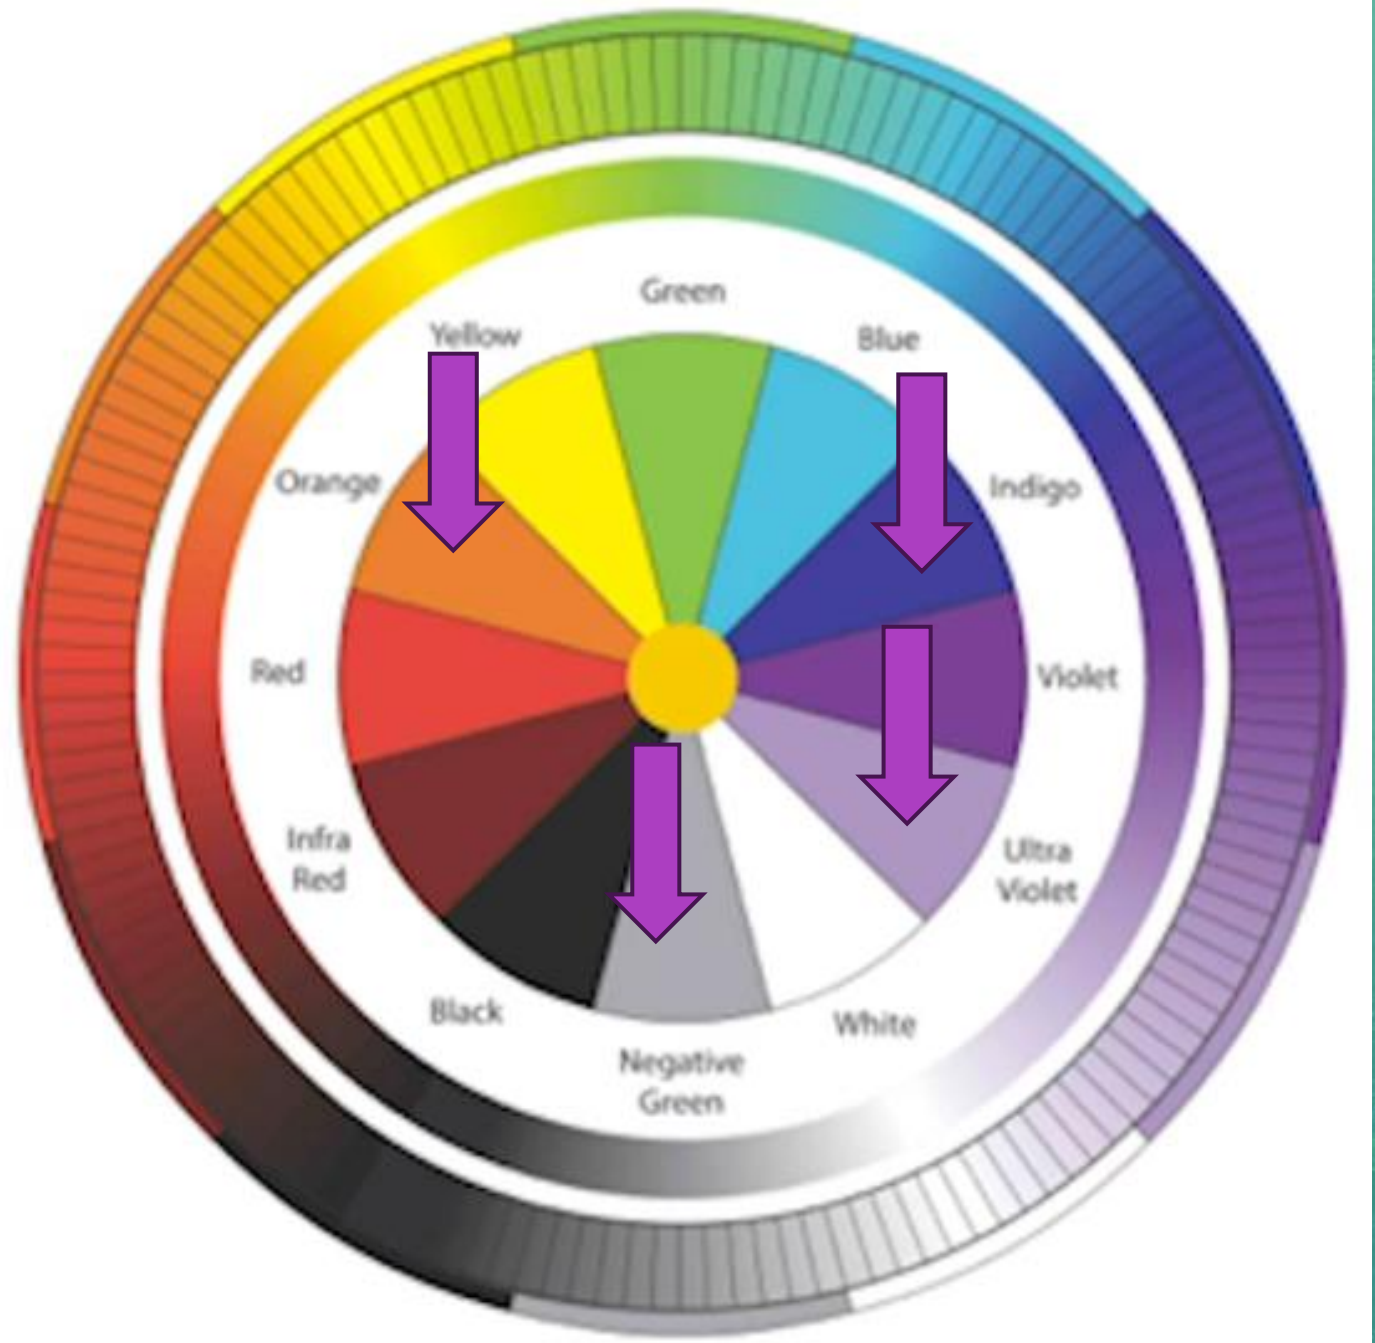

This is a color spectrum wheel that some scientists use to measure frequency.

Dr. Ibrahim Karim has isolated three vibrations that always are present in prana:

Ultra-Violet,
Negative Green, and
A Higher vibration of Gold, which shows up on this wheel as Orange and Indigo or the Gold in the center of the wheel.

THIS ENERGY BALANCES AND HARMONIZES ALL DIFFERENT SYSTEMS! IT IS THE MASTER HARMONIZING FORCE!

You can't add these together to produce this quality. **They have to show up together.**

The one harmonizing quality is the energy of "THE CENTER" of everything.

Negative Green is found and produced by pyramids, dome like structures and cathedrals.

It is important to note that this band of energy runs in both horizontal and vertical waves.

VERTICAL NEGATIVE GREEN is a very detrimental wave and can make people ill.

What is found in the harmonizing center quality is HOIZONTAL NEGATIVE GREEN.

It is known as a "Carrier Wave."

THE HIGHER HARMONIC OF ULTRA-VIOLET...

- ▶ This is similar to the violet light of dawn found on a higher vibratory level.
- ▶ This has a calming, cleansing property and is in resonance with the higher laws of nature and the angelic realm.

THE HIGHER HARMONIC OF GOLD...

- ▶ This is a harmonizing subtle energy quality on a higher spiritual dimension that is in resonance with physical gold.
- ▶ Gold has always been symbolic of spirituality, probably because it seems to be the predominant energy emanating from spiritual adepts in the form of halos and auras. Real gold is known to have natural healing qualities.
- ▶ In fact, the quality of the higher harmonic of gold is one that is used to detect spiritual energies. It is the one that is the most significant.
- ▶ It is found in the orange and indigo bands in the color wheel.

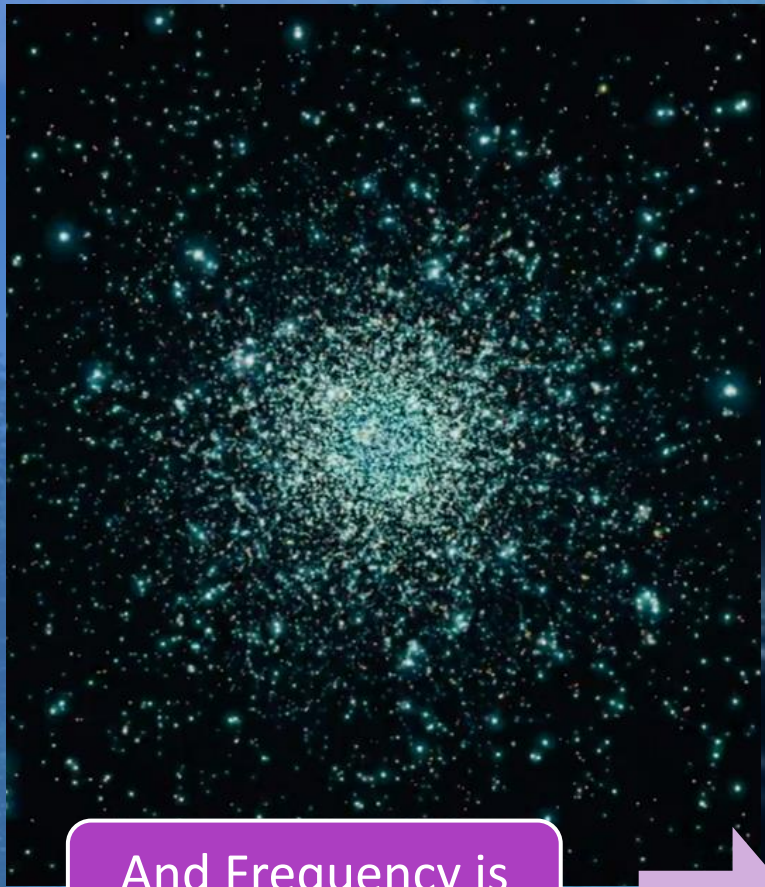

**IT IS IMPORTANT TO NOTE THAT THE
EXISTENCE OF THESE ENERGIES IS
NOT FIGURATIVE OR IMAGINARY...IT
IS LITERAL!**

Just because we can't see it, doesn't
make it any less real.

In fact, it is the most powerful force
on the planet. It is keeping all of us
alive!

And Frequency is
what makes it do
This

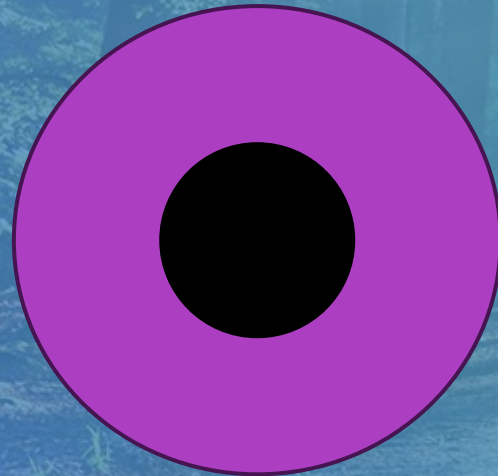

or this

or this...

In fact, you can create it simply by drawing a shape on a piece of paper. This is very high intelligence you are working with! IT TRULY IS THE SUBSTANCE THAT THINKS!

**Ibrahim Karim Universal
BG16 Pendulum**

SO, IF WE WANT TO FIND SOPHIA,

***WE VIBRATE WITH HER
FREQUENCY...***

“Wisdom is not stupid: she knows that any attempt to impose form upon her movements is a doomed undertaking...so she turns the kaleidoscope when we aren’t looking.”

--Caitlin Mathews

- ▶ Since we are always creating with our frequency, then it becomes important and necessary that our emissions are in harmony with all life everywhere.
- ▶ Fine-tuning and aligning with the highest frequencies build your character & refine your essence...transmutes it into golden nectar.
- ▶ So, your frequency becomes the most important possession you could have as you enter the higher worlds.
