**Dream Temple Work**

A photograph of a memorial altar. In the foreground, several lit tealight candles are arranged on a dark, wet surface. Interspersed among the candles are smooth, light-colored stones and a few red, round objects, possibly apples. A large, vibrant green fern frond lies prominently in the lower foreground. In the background, a small waterfall flows over a rocky ledge into a pool of water. The surrounding area is lush with various green plants, including ferns and grasses. The overall scene is dimly lit, with the primary light source being the flames of the candles.
