

Scorpio:

"I am Scorpio, a water sign. I create the eighth gate of awareness, through which I teach the power of feelings. I fully experience the complete range of feelings, from icy and frozen, to hot and steamy, and everything in-between. My training is to learn to master its

response to them. I am intense and passionate about discovering what lies well beneath the surface of current awareness. I travel deep into my feeling waters to connect to source, and use the treasures I discover there to generate life force in myself and in others. I possess a potent intuition, or six-sense, and an ability to travel into other realms of consciousness."
